REGENT TROPHY

Winner: **Padhen Hitman**
Runner-Up: **Ch. Napier Mary Jane**

Thank you to the committee for inviting me to judge the very special Regent Trophy. Thank you to the exhibitors and congratulations on being invited to compete in this prestigious event. It was a true pleasure to judge with the esteemed David Furneaux.

My choice for the winner was **Padhen Hitman**, an upstanding black brindle shown in outstanding condition. While standing his outline made a very pleasing silhouette. Good head that is long, turned and filled, strong underjaw, correct mouth. His eyes are placed high on his head with correct ear set. Nice length to his neck that flows into a well laid shoulder. Straight front that leads to his nice tight feet. Rear is good but could use a little more strength. Movement was good coming but slightly close going away. He was an outstanding performer from the moment he walked into the ring. He was the choice of referee Elaine Clark. My co-judge chose **Ch. Napier Mary Jane** for the winner. A compact white bitch with a pleasing head, correct mouth, nicely placed eyes and ears. Good bone and substance, straight front, nice feet. Her topline did not hold on the move. She was my choice for runner-up.

I would also like to mention **Emred Devils Spy**, a white male who stood out. Has a dramatic profile and wicked expression. Lovely long neck and a short back but not quite the conformation of the Regent Trophy winner.

Bilboen X-Rated was our choice for the Charlie Girl Cup which is for the Best Mover in the Trophies. A red and white bitch who moves with reach and drive and is parallel going and coming.

Rebecca Poole
It was an honour to be invited to judge this prestigious trophy; my thanks to the committee and for their hospitality to me and Jan. It was very interesting judging with Becky Poole and we needed the referee's decision finally. The winner was **Padhen Hitman**, a real showman. You do need to go over this dog really to appreciate his virtues. Good head, keen eye, perfect ear placement, very well made throughout, excellent muscle tone.

Ch. Napier Mary Jane was Best Opposite Sex on

the referee's decision. Beautiful headed quality bitch, excellent expression, lovely reach of neck, deep chest, good rounded bone, good quarters, a big bitch but still very feminine and a worthy champion.

Two other contenders were **Taylajay Dream A Lie At Megaville** and **Emred Devils Spy**, different types but both with their virtues.

My co-judge and I were in complete agreement on our winner of the Charlie Girl Cup for movement. **Bilboen X-Rated** is a well made quality bitch with powerful quarters which showed in her sound movement, covered the ground with ease.

David J Furneaux

Many thanks to the committee for their kind invitation to referee the 2012 Regent Trophy. It's not often a ref gets a chance in the ring but I was 'lucky' enough to get the call and it was a pleasure to go over the two lovely animals put forward.

My winner was the dog, **Padhen Hitman**. An ultra smart black brindle and white with an excellent head in profile, lovely turn and finish and a correct mouth, just a little more fill would complete the picture. Good neck and correct shoulder into a super topline which he keeps to perfection on the move. Straight front, good feet, correct bend of stifle and second thigh. Moves well in front but would have liked a little more drive behind. Was in spanking condition, well muscled and fit, with a superb coat and, despite entering the ring at around 11.30am, he was still firing on all four cylinders at 4pm - as was his handler, credit to them both.

Runner-up was **Ch. Napier Mary Jane**, a lovely white bitch, excelling in type, whom I have admired since first seeing her. Super head with lovely sweeping profile, width, depth and fill to die for, all topped off with a perfect mouth. Good neck, but not the shoulder and topline of the winner, which just began to show a little as she flagged in the final challenge, moving well in front but a little disappointing behind. A substantial girl, excelling in bone but without any loss of femininity, she was beautifully presented.

Elaine Clark (Referee)

It was a great honour and a privilege to be invited to judge the Dog Jug. The Bull Terrier Trophy Show is the most prestigious show on the Bull Terrier show calendar. There were a couple of absentees

Bull Terrier Club Trophy Show

ORMANDY JUG FOR DOGS

Winner: **Padhen Hitman**
Runner-Up: **Taylajay Dream To Lie At Megaville**

A great pleasure to judge the Dog Jug. My choice for winner was between **Padhen Hitman** and **Emred Devils Spy**, both excellent in type and quality.

Hitman has an excellent head, correct teeth, super neck and shoulders, perfect front and feet, short back, excellent topline. Hindquarters good but more second thigh is required. An overall picture of a first class dog in superb condition and shown well.

Devils Spy, my choice for reserve, is also a first class dog of great quality, the best headed dog in the ring that day, filled and turned. Excellent neck and shoulders, shortest of backs, very good quarters, a picture to look at.

My co-judge preferred **Taylajay Dream A Lie At Megaville** for reserve, I found him a good headed, short backed, well boned tpy dog, but for me looking ordinary in the above two's company. The referee gave him reserve.

Only one dog out of seven went through for the Charlie Girl Cup for Movement. I only wish more importance was placed on correct construction.

Eric Stanley

It was a great honour and a privilege to be invited to judge the Dog Jug. The Bull Terrier Trophy Show is the most prestigious show on the Bull Terrier show calendar. There were a couple of absentees

including **Ch. Bullyview Mobsta** who had suddenly, very sadly died at the age of 16 months and I send my condolences to his breeders/owners.

My co-judge Eric Stanley was in full agreement with me with the winner **Padhen Hitman**, a black brindle and white presented and shown in immaculate condition. Excellent profile with a turned well filled head, deep dark eye, neat well placed ears and good bite. Good reach of neck, gun-barrel front, excellent feet, short back, level topline, good tail carriage. I would have preferred a little more bend of stifle. He moved well enough. Congratulations on a well deserved win.

Unfortunately I and my co-judge could not agree on the runner-up and this was decided by the referee Terry Hylands. I was delighted when he chose my choice **Taylajay Dream A Lie At Megaville**, a white of excellent quality. He too has a very good head but different in type to the winner. Strong powerful neck, well boned front with tight cat feet, hard fit body, good backend, moved and showed well. Thoroughly deserved runner-up.

Bill Blacker

I was called upon to decide the runner-up between **Taylajay Dream A Lie At Megaville** and **Emred Devils Spy**.

Dream A Lie I found was a beautiful white heavyweight with a lovely head and correct bite. Good front and feet, lovely body shape, tremendous substance, well turned stifles, moved and showed well. Devils Spy is another quality white with a very good head, mouth level, lovely body shape, good stifles, moved and showed well,

for me just lost on substance on the day.

Terry Hylands (Referee)

ORMANDY JUG FOR BITCHES

Winner: **Ch. Napier Mary Jane**
Runner-Up: **Ch. Napier Rosella**

I thank the Committee for the great honour of being asked to judge the Bitch Jug with Ron Scott. From a line up of beautiful bitches we quickly arrived at our decisions. Our winner was **Ch. Napier Mary Jane**, beautiful white heavyweight bitch with a very good head, stunning eye and expression, beautifully turned head, correct mouth, straight front, good feet, excellent body shape, tremendous spring of rib, well turned stifles, showed well and exuded quality.

Runner-up, **Ch. Napier Rosella**, red heavyweight, very good head, correct mouth. Good front and feet, good body shape, well turned stifles, overall a top bitch who moved and showed well. While she has a beautiful expression for me the winner excelled on this point. A close run thing.

Terry Hylands
It was a great honour and privilege to judge the Bitch Jug. It was a great line up but Terry Hylands and I were in complete agreement that the winner was **Ch. Napier Mary Jane**, quality top class all white with head markings, lovely head with turn and fill, wicked eye, perfect mouth, ears bang on top, lovely neck, shoulders, topline and rear

quarters, ample bone and substance, cat-like feet, moved well both ways, well handled and presented.

Runner-up was **Ch. Napier Rosella**, quality red and white, lovely head with turn and fill, perfect mouth, ears bang on top, lovely neck, shoulders, topline and rear quarters, lovely jacket, ample bone and substance, moved well both ways, very well handled and presented.

Ron Scott

SANDAWANA TROPHY

Winner: **Ch. Napier Rosella**
Runner-Up: **Padhen Hitman**

A great honour to be invited to judge this prestigious trophy. I thoroughly enjoyed judging with David Jones and am happy to say we were in complete agreement throughout.

Winner was **Ch. Napier Rosella**, top quality red and white bitch who exudes power and substance. Completely filled head with excellent width and depth of muzzle, keen expression, good mouth, used ears well. Lovely reach of neck leading into hard toned body, straight front with good round bone, deep chest and well sprung ribs. Beautifully balanced throughout with strong quarters, great bend of stifle with well let down hocks. Moved very well with drive and purpose. Just piped the dog at the post on her overall maturity. Put forward for Charlie Girl Cup for movement.

Another bitch who pressed hard was **Bilboen**

X-Rated, quality red and white, clean well filled and turned head, correct mouth, ear placement could be a touch better. Well made throughout. A first class mover, moving true both ways and with drive. Put forward for the Charlie Girl Cup which she won. Best Opposite Sex, **Padhen Hitman**, outstanding young black brindle and white dog. Well filled head with good profile and turndown, correct mouth, neat ears, good expression. Good length of neck flowing into well laid shoulders, straight front, deep chest, short back, correct topline which he held on the move. So well made with excellent proportions and body lines, he looked the complete picture. Moved well in front, could do with a touch more drive behind.

Two other dogs in contention were **Ch. Busell's Black Magic At Ounsdale**, top drawer black brindle and white completely filled and turned head, good mouth, tremendous bone and substance. Unfortunately he had injured his dew claw and did not make the most of himself, and withdrew from the Ormandy Jug for Dogs; and **Hentaru Welsh Warrior From Penpynch**, heavyweight black brindle and white, strong head, good mouth, short back, excellent bone and substance.

Linda McGregor

I would like to thank the committee for inviting me to judge at their Trophy Show. It was a great pleasure to judge with Linda McGregor whom I found totally professional. We discussed each animal together and were in complete agreement with our winner and runner-up.

Winner was **Ch. Napier Rosella**, beautiful red and white bitch, plenty of bone and substance, strong packed head, lovely long neck, good shoulders and front, shade long in back, very strong behind, moved well both ways, handled to perfection.

BOS, **Padhen Hitman**, short backed cobby dog, good head, plenty of downface, good ear placement, very smart, full black jacket, good front, decent hind quarters, moved well in front, needs to drive more behind. A picture to look at when stood still. Just lost to the bitch as I felt she had more bone and bend of stifle.

Another red and white bitch who caught my eye was **Bilboen X-Rated**, also plenty of bone and substance, excellent mover, ear placement could be better but a very quality girl. Close call between these animals.

David Jones

INTERNATIONAL TROPHY

Winner: **Ch. Satyricon Devils Wear Prada**
Runner-Up: **Damage Inc Of Unknown Fantasies**

It was a great honour to be asked to judge at this most prodigious show. I thank the chairman and committee for their hospitality and all the hard work that makes the Trophy Show possible and a success. I thank the committee for this opportunity, which gave me the chance to judge with Jo Phillips. We were in complete agreement with our winning dogs.

All the dogs were presented in good condition; there was a strong line-up of exhibits of quality and depth.

Our winning bitch was from Holland, **Ch. Satyricon Devil Wears Prada**, white with a lovely head and a mean eye, ears well placed, mouth correct. Gun-barrel front, tight feet, good layback of shoulder, plenty of spring of rib, well turned stifles, strong second thigh, correct tail set. Moved correctly both ways, showed exceptionally and was well handled.

The runner-up was also from Holland, **Damage Inc Of Unknown Fantasies**, upstanding brindle dog, powerful head, deep muzzle, ears well placed, mouth correct. Straight front with good bone, short coupled, good laid back shoulder, level topline. Could have had a better tail set. Front movement was good, was well presented.

Colin Bohler

I was honoured to judge the International Trophy with Colin Bohler. We were in total agreement with our winner and Best of Opposite Sex.

Our winner was **Ch. Satyricon Devil Wears Prada** from Holland. Quality cobby well made white bitch, strong head with good profile, good mouth. Lovely reach of neck into well laid shoulder, straight front, shapely forechest, good angulation. Slightly long cast. Moved parallel and covered the ground.

BOS was **Damage Inc Of Unknown Fantasies** also from Holland. Super compact brindle and white dog, sweeping head with lovely fill and piercing expression, best head and shortest back in this Trophy. Slight mouth fault. Moved parallel. Not the shoulder and tail set of the winner. Close decision.

Joanna Phillips
