

A Blast From The Past

**Peterborough
Championship Show
1979
Bull Terriers
Judge: Catherine G. Sutton**

I was disappointed that so many didn't fit the Standard as far as the description give for the teeth are concerned. This fault was certainly more common than when I last judged the breed at the Club Show. I know this is only one point in the overall picture of the dog, but I do feel as a outsider looking in, that this particular fault is becoming too prevalent for the good of the breed. I was sorry that there were so many absentees, particularly in the Dogs.

Junior Dog

1. Monaghan's **Geham Starshine**. Very pleasing in so many ways, good legs and feet, pleasing head, good neck and shoulders, every inch a Bull Terrier, mouth could be better.
2. Lambert's **Oldscriven Polar Ranger**. Red, appeared in rather soft condition particularly along the loin, head could be stronger, could move better behind.

Novice Dog

1. Drummond-Dick's **Abraxas Christmas Chimes**. Delightful puppy full of type, beautifully made, well balanced head with good mouth, nice neck and shoulders, moved well, lovely legs and feet. Just needs more maturity to finish a lovely picture.
2. Desborough's **Jobrulu Young Richard**. I liked very much, a grand body although coat needs to clear a little. Good legs and feet, strong quarters which he really used. Mouth could be better.
3. Monaghan's **Geham Starshine**.

Post Graduate Dog

1. Monaghan's **Geham Starshine**.

Limit Dog

1. Micklethwaite's **Curraneye Jackie Boy Master**.
Reserve Dog CC
Very pleasing dog full of quality and type, lovely legs and feet, strong topline, good strong quarters that he used well, pleasing head that perhaps could be better filled, good mouth. Pleased to award him RCC.

Open Dog

1. Shaw's **Barrowboy Of Badlesmere**.
Dog CC & Best Of Breed
Very well balanced with excellent conformation, lovely neck and beautifully laid shoulders which

| | | Souperlative Kaybella |
| | | Ch. Curraneye Independence |
| | | Curraneye Elegance |
| Pedigree of Curraneye Jackie Boy Master (Reserve Dog CC) | | |

- allow him great freedom in movement, strong quarters. Head could perhaps be a little better moulded, but has a good eye ad correct mouth. CC and BOB, I was rather disappointed that he did not come into the group to represent his breed.
2. Micklethwaite's **Curraneye Jackie Boy Master**.
 3. Boulton's **Ch. Foyri Verify**. Made in a bigger mould, strong dog of great type, good layback of shoulder, good legs and feet, pleasing head. Could have settled to move a little better behind.

Junior Bitch

1. Bates' **Brobar White Satin Of Meregis**.
Reserve Bitch CC
Very pretty bitch full of quality and type, showing off her many virtues, lovely head with good eye and expression, grand body, very active on the move. RCC, when she gets a little more maturity should look very good.
2. Hill's **Arcanum Harlequinade**. Red and white bitch of good quality and type, very nice feminine head. Good body although she just appeared a tiny shade long in the loin, maturity could help this, moved well.
3. Weeks' **Ajesaweek Dainty Jester**. Nice type but carrying just too much weight which rather takes away the lovely curves that belong to a Bull Terrier. Nice head, good eye, good strong bone but just needs to settle on the move.

Novice Bitch

1. Slade's **Miss Blymp Of Kearby**. Light brindle of good type, pleasing head, good eye, good legs and feet, strong body. Could just have settled to move better.
2. O'Malley's **Rokin Mallam's Blossom Beauty**.

- Nice bitch of good type but carrying too much weight which spoils her outline.
3. Leather's **Tanhide Judy O'Grady**. Darker brindle, head could be stronger and eye darker, needs to move better.

Post Graduate Bitch

1. Hill's **Arcanum Harlequinade**.
2. Weeks' **Ajesaweek Dainty Jester**.
3. Rogerson's **Shipcote Sierra Sue**. Not quite enough bone and substance for a Bull Terrier and rather uncoordinated on the move.

Limit Bitch

1. Hill's **Arcanum Harlequinade**.
2. Micklethwaite's **Curraneye Sweet Sensation**. Nice type, very pleasing body, good legs and feet, typical head, good eye, could have settled to move better.
3. Slade's **Miss Blymp Of Kearby**.

Open Bitch

1. Weatherill's **Souperlative Silhouette**.
Bitch CC
Very smart bitch, lovely head and expression, good mouth and eye, strong legs and feet, lovely body that is well rounded and with good spring of rib, strong quarters with good second thigh, moved well. When she gets her new coat will look even better.
2. Youatt's **Mirriam Of Kearby**. Not quite the body of 1. Pleasing head and expression, good mouth, good strong legs and feet, went well.
3. Hill's **Arcanum Harlequinade**.
