I would like to extend my thanks to the Blackpool & District Canine Society for the invite to judge and a thank you to all exhibitors who surely haven't had to show in such terrible conditions before. Temperaments were excellent but please excuse me for not commenting on feet as they were under two inches of mud.

**Puppy Dog** (1 Entry, 0 Absent)

1. Malden's **Louka Kolor Koded**.

**Junior Dog** (3 Entries, 2 Absent)

1. McDermid's **Padhen Hitman**.

**Dog Reserve CC**

Compact b/br with lots of quality, head has good length and fill with eye and ear giving keen expression, mouth correct. His make and shape is excellent and with his short back he is totally balanced. Moves with drive but a touch close behind. It was his outstanding balance that gained him the RCC.

**Post Graduate Dog** (5 Entries, 2 Absent)

1. Wheatley's **Bumpers Magpie At Bulterzar**.

B/br of medium size with lots of type, quality head totally filled but without exaggeration, ears could be better placed but with good eye still has keen expression, mouth fault. He is well made throughout and has very good bone. Movement better coming than going, well handled.

2. Taylor's **Ragnarok Radolf**.

Big powerful red with lots of bone, head is long and strong with good ear and eye but just lacks a touch of finish. Good make and shape but a touch long, moved very well and well handled.

3. Bennett's **Aldamar Power Storm**.

**Limit Dog** (4 Entries, 1 Absent)

1. Roberts, O'Prey & McCusker's **Bayshuck Bouncer Into Zaracle**.

Typy white, well made throughout and in hard condition, short powerful head, totally filled with eye and ear giving good expression, mouth fault. Not short but carries himself well and moves with very good drive, well handled.

2. Blair's **Taylajay Highfyer Into Megaville**.

Brindle lad with very good make and shape and excellent bone. Has very good strength of head with good eye and ear and perfect mouth, but lacks profile. His movement is good and covers the ground with ease, not short

but topline never dips, a tough job for his handler.

3. Roberts' **Teirwgwyn Head Banger**.

**Open Dog** (6 Entries, 1 Absent)

1. Wannop's **Charishalee Drumbeat**.

**Dog CC & BOB**

It was a pleasure to judge this dog as he fits the Breed Standard comfortably. He stands foursquare and his sound make and shape make him completely balanced, his head has strength without exaggeration with good ear, eye and correct mouth. To be picky his tailset could be a fraction lower. Moves with drive and is a great showman.

2. Saunders & Dovey's **Jayston Yasmino's Boy**.

Quality short compact tri in good hard condition, long strong head with good eye and ear and best mouth of the day. Good front and strong rear-quarters make him move with drive, great bully temperament and thrived in the conditions.

3. Fernandez & Molano's **Sp Ch. Sonnsnow De Garnata Alvejud**.

**Puppy Bitch** (6 Entries, 1 Absent)

1. Dobbin's **Debully Devine Vision At Barbulls**.

**Best Puppy**

Ultra feminine white with beautiful head, very good eye, ear and perfect mouth. Good reach of neck into clean shoulders, very good front and strong rear-quarters. Not a short bitch but as she matures she should balance out, movement good. Well handled.

2. Ley & Broomfield's **Fortifers Flametta**.

Typy compact red with strong feminine head, has good eye and ear, but mouth fault. Well made throughout, she is a touch short on the leg which spoils her overall balance. Moves very well and was handled to perfection.

3. Gala's **Vestbullies Happiness**.

**Junior Bitch** (4 Entries, 4 Absent)

**Post Graduate Bitch** (6 Entries, 4 Absent)

1. Lambert's **Ebullient Lady Scarlett**. Substantial girl with very good bone for her size and power, she is still very feminine, good eye and ear but

mouth fault. Although a touch long, her make and shape is correct, moves parallel behind and with drive, in great condition and well handled.

2. Littlefair's **Dikram Black Magic**. B/br, well made throughout. Lovely head with gentle turn, good eye and ear. Slightly loses her topline on the move. Can't help feeling her handler could get a touch more from of her.

**Limit Bitch** (3 Entries, 1 Absent)

1. O'Connell's **Elvroc Who Dares Wins At Koellen**.

Substantial white with lots of bone, powerful head with good eye and ear and correct mouth. Good reach of neck, clean shoulders, strong straight front and big forechest. Strong rear-quarters, she could be a touch shorter which would improve her overall balance, quality bitch. Moved with drive and was well handled.

2. Taylor & Sheppard's **Bullywood Avenging Star To Ragnarok**.

Quality girl and ultra feminine. Head is long with good eye, ears could be a touch better placed. Although not short she is well made throughout and moved well.

**Open Bitch** (8 Entries, 4 Absent)

1. Foster's **Bilboen Star At Night**.

**Bitch CC**  
B/br who exudes quality, excellent make and shape throughout and completely balanced. She also has the substance to match her size. Her head when viewed from her white side is stunning with length, power and good expression. On the minus her ears could be set a touch higher. Mouth correct. A touch close behind but she covers the ground with ease. Very well handled.

2. Jastrzewska's **PI Ch. Romantic Lady Timar**.

**Bitch Reserve CC**

Eye-catching quality feminine white with red eye patch, head has fill with gentle profile and correct mouth. Make and shape is correct throughout, but her overall balance would be improved by a slightly better reach of neck, movement OK, very well presented and handled.

3. Catilina & Szewczyk's **Quentinhill Say You Love Me**.
