Coloured Bull Terrier Club Trophies

Judge: Geoff Skelton

I would like to thank the CBTC for the invite to judge their Trophies, it was a most enjoyable day.

Geham Trophy For Dogs

1. **Jayston Yasminos Boy**.

Tri dog of good proportions, head is well filled and has width and depth and profile. Correct mouth, good ear set, powerful neck leading into good shoulders and front. Well sprung ribs with good depth throughout, short back and has a well angled rear. Well muscled and moved with drive.

2. **Taylajay Look No Further**.

Brindle dog, his head is broad and wide and has profile, mouth is good. His front is straight but he is a little loose in the shoulder. Good depth through the chest and the shortest of backs, would like more angulation in the rear. He moved accordingly but he never stopped showing, well done to his owner.

Kearby Trophy For Bitches

1. **Napier Rosella**.

Red and white bitch that oozes class, her head is broad with depth and power, good profile. Mouth is good. Good front and shoulders good depth throughout, well angled rear, moved well, one from the top drawer.

2. **Wellinghall Ebony Nugget For Afanbull**.

Black brindle bitch, head is well filled and has good profile, mouth is OK. Front is straight but a little loose in the shoulders, short back, has good depth through the chest and a well angled rear, moved OK.

Two very nice bitches.
