

# As Seen By The Judges

## Northern Provincial B.T.C. Open & Trophy Show April 22<sup>nd</sup>, 2012 Judge: Andrea Gates-Newberry

The Northern Provincial Bull Terrier Club held an Open Show where...  
BIS: **Napier Mary Jane**  
RBIS: **Ounsdale Mighty Medusa**  
BOS: **Padhen Hitman**  
BP: **Golitha Glittering Prize**

Under Trophy judge Ron Scott...  
Hesketh Cup for BB: **Ounsdale Mighty Medusa**  
Ormandy Plate for BD: **Laronbelle's Magic Vision**  
Miller Memorial Trophy (Selected from the winners of the Hesketh Cup & Ormandy Plate): **Laronbelle's Magic Vision**  
Bullyview Gentle Breeze Cup for Best Condition: **Ounsdale Mighty Medusa**

I was impressed with the overall good bites and super temperaments, typical of the breed. I do feel the overall decline in numbers is fortunately not affecting quality at NPBTC as the animals present were of ticket winning quality.

### Puppy Dog

1. Tinkler's **Danbull Desperado**. 10½ months, powerful white puppy dog with nice profile, good fill, correct bite and good expression. Would like a little more muzzle strength. Good hind angulation and adequate lay of shoulder, moved parallel coming.
2. Malden's **Louka Kolor Coded**. 9½ months b/br/w dog with half white face and back splash, gentle profile. Could benefit from a little more finish. Good hind angulation and second thigh. Lacking in forechest. Moves well coming.

### Junior Dog

1. McDerimid's **Padhen Hitman**. **Best Dog & Best Opposite Sex**  
13 months b/br/w dog with sweeping profile, correct bite and good fill, short backed, with nice forechest, good bend of stifle, quality dog who still has more maturing to come which will only cause him to get even better, held his topline on the move, parallel coming.
2. Twyman & Gardner's **Laronbelle's Magic Visions**. **Reserve Best Dog**  
18 months white powerhouse of a dog with a brindle eye patch, on his white side he has a good profile, correct bite, enough lay of shoulder and super hind angulation, moved parallel coming and going.
3. Biggins' **Wengormick Wise Venture**.

### Novice Dog

No Entries

### Post Graduate Dog

1. Littlefair's **Dikram Devils Deputy**. White dog, nice profile with good earset, correct bite. Could use a little more fill. Short backed with good hind angulation and adequate forechest. Movement not his strength.

### 2. Hammill's **The Priest**.

White heavyweight of a dog with left brindle ear, turn of head good. Could benefit from fill and muzzle strength. Wide earset, strong forechest and adequate bend of stifle.

### Limit Dog

1. O'Prey, Roberts & McCusker's **Bayshuck Bouncer Into Zaracle**. White dog with black ears, super headed compact dog with sweeping profile and a wide powerful head. Reluctant to use ears. Short backed, good angulations. Moved parallel coming, close going. Bite sadly kept him from top honours but a dog with loads of quality.
2. Blair's **Taylajay Highflyer Into Megaville**. Powerful br/w dog with correct bite, good profile. Could use a little more fill. Strong forechest and good hind angulation. A bit unsettled and kept him from a higher placement.
3. Kocoba's **Badlesmere Bertie's Brother**.

### Open Dog

1. Quinn's **Padhen Abraham Of Lincoln**. 5 years tri dog, nice profile but could benefit from more fill and muzzle strength, reverse scissor bite. Good hind angulation, tight paws. Needs better lay of shoulder.

### Puppy Bitch

1. Paterson's **Golitha Glittering Prize**. **Best Puppy**  
8 months immaculately presented white puppy bitch, super profile with perfect bite, short backed, tidy feet. Has the tendency to hold her head in a way that obscures her forechest.
2. Malden's **Louka Frosty Lady**. 9½ months classically headed white bitch with perfect bite. Could use a bit more fill and width. Short backed, balanced bitch with good topline and nice angulations.
3. Littlefair's **Dikram's Tribal Magic**.

### Junior Bitch

1. Littlefair's **Dikram's Black Magic**. Lovely profiled 18 months b/br/w bitch with correct bite, compactly built, balanced bitch with good bend of stifle and tight feet, moved parallel coming and going. Lost her topline when moving, has a tendency to stand bunched.
2. Hammill's **Tiapan's Starlight Express**. Mature 18 months white bitch with black eye patch and ear, bite OK. Teeth need scaling. Super forechest and good hind angulation. Long cast, carrying a bit of extra weight which seemed to be causing her to be a bit slowed down.
3. Twyman & Gardner's **Zaracle Zofia For Laronbelle**.

### Novice Bitch

1. Linacre's **Yendorian Promised Edition**. Good profiled b/br/w bitch with OK bite. Could use a little more fill. Good hind angulation, nice forechest, tight

feet, moved well both ways. Difficult to assess due to her excitement.

2. White's **Shanthana Thai Black Orchid**. Cobby tri with correct teeth and nice profile. Could use more finish. Powerful wide chest, good hind angulation, showed and handled well.

### Post Graduate Bitch

1. Fitzherbert-Stewart's **Ounsdale Mighty Medusa**. **Reserve Best Bitch & Reserve Best In Show**  
Mature br/w bitch, almost solid with her markings, alert and keen expression, lovely sweeping profile with good power to her head, short backed with good hind angulation and adequate forechest, straight front leading to tight feet.
2. Bowyer's **Bluepoint Fathom Of Bowmountball**.
3. Hammond & Banyard's **Bullydream Flash That Cash**.

### Limit Bitch

1. Malden's **Louka Madam Mischief**. All white well balanced bitch, nice profile with good fill, correct bite and keen expression, short compact bitch with a good forechest and nice bend of stifle. Moved close behind and parallel coming, condition needs to be addressed as it affects her in consideration for top honours.

### Open Bitch

1. Fletcher's **Napier Mary Jane**. **Best Bitch & Best In Show**  
Mature white bitch with black ears and around one of her lips who, if I had to describe in one word, it would be power. Wide head filled completely with a very pleasing profile and super muzzle strength, good small dark and well-placed eyes with a wicked expression, excelled in bone and substance with thick round bones, deep brisket with a super lay of shoulder yielding an exceptional forechest, good hind angulation, held topline on the move and parallel coming. Pleased to find out this was her first show and if the owner would have let me, I would have taken her home on the day.
2. Baines' **Persian Warrior**. Nice white bitch with left black ear, correct bite and keen expression. Could have used a little more power to her head. Short backed with adequate lay of shoulder. Moved true coming but close going.
3. Baines' **Street Dancer**.
