

As Seen By The Judges

South Eastern Counties Bull Terrier Club Championship Show March 25th, 2012 Judge: Mrs Angela Goodwin

Many thanks must go to the exhibitors for this great entry, I was amazed and very pleased at the lack of absentees, this gave me many options in full classes to evaluate and select for my final placings, a full ring side attendance gave a great atmosphere for me as a judge to officiate in, all placings were sportingly received. My appreciation for giving me this opportunity to award my first set of tickets is sent to the committee.

Special Beginners Dog (4 Entries, 0 Absent)

1. Gardner & Twyman **Laronbelle's Magic Vision.**

Substantial white, excelling in bone and substance, general conformation was sound and he moved well enough, his head is long and strong, a gentle profile, good mouth, standing on a good straight front and a well angulated rear. Presentation very good, more animation would be of benefit.

2. Jenner's **Mr Hustle And Bustle.**

A tri youngster that needs bodying up, he has many attributes that need showing to best advantage, his head is good and filled up with profile giving a good expression, a very good bite, his neck is long on to well set shoulders, his front is straight and tucked under well, a short body and well angulated rear, he is marked very well, importantly just needs to body up.

3. Chandler's **Kescostaff Sunblest.**

Puppy Dog (4 Entries, 0 Absent)

1. Roff's **Bobuddy Trafalgar.**

Best Puppy

Big strong white youngster with brindle patch and ears, a lot going for this lad, a strong head with profile and finish, maybe could have a bit more fill to go with it, ear set was good giving a good expression, good bite, I found him to be generally a tad loose, however his general conformation was sound enough, angulation front and rear was OK, he has good bone and stands on decent feet.

2. Grimshaw's **Rubbise Angels And Demons.**

A white lad that needs time to settle, ear marks to his head which has fill and profile, keen expression, mouth fault, his body shape is good but needs to mature and body up, his shoulders aren't too bad but he is loose around the elbows and pasterns, good rear angulation.

3. Jenner's **Mr Hustle And Bustle.**

Junior Dog (3 Entries, 0 Absent)

1. Foster's **Bilboen Velocity.**

Upstanding white with ear marks, again a good package to this lad, a good profile to his head, perhaps a tad browy but no issue, his profile is long with finish, I'd like a bit more fill, his body lines are clean, front is tucked under and straight, short coupled enough, could perhaps benefit from a bit more in the rear quarters.

2. Pickering's **Ukusa Kaos De Peracho.**

White lad with head marks, generally

sound but loose he needs to stand up and pull himself together, his head is filled up and has enough profile but could use a bit under his eyes, mouth OK, he presents his front sometimes very untidily, short enough, rear angulation OK.

3. Dunn's **Kimbulli Krazy Kondor.**

Novice Dog (4 Entries, 0 Absent)

1. Keenor's **Bobuddy Fuego's Fusilier.**

Brindle and white, a long filled head with fill profile and finish, good mouth, substantial in body with good bone, presents as a bit long cast however should he stand up and pull himself together he would benefit, a little erratic on the move nonetheless a pleasing dog.

2. Latham's **Kellouacy One Of Many.**

A powerful tri, power packed head, ears on top giving a great expression, long neck, good shoulders and front, a short substantial body, well angulated rear, good bone, unfortunately spoiled by a bad mouth.

3. Smith's **Romanga Mystic Ice.**

Post Graduate Dog (4 Entries, 0 Absent)

1. Atkins' **Hentarw Executive Decision. Dog Reserve CC**

A tri male of good proportions, his head is long and filled with profile, just a bit of finish as per standards requirement, good bite, ears on top, long neck on to good shoulders set to a straight front, short backed, good rear angulation, tidy feet, he moved well. On the minus wishy washy coat and needs more muscle definition.

2. O'Connell's **Ragnarok Gungnir.**

A mature white lad with head marks, a strong headed lad, good bite, expression is OK, well angulated front and rear loses his top line on move, strong round bone, feet tidy enough.

Limit Dog (8 Entries, 0 Absent)

1. Newberry's **Hells Boy By Ukusa. Dog CC**

Upstanding red, well balanced, clean lined lad presented well, he has a black mask, his head is long and has fill, perhaps a bit browy, correct bite, his ears are on top and placed well giving a good keen expression, a long neck on to well placed shoulders, a shapely body with tuck up, a powerful well angulated rear drove him along, good feet with strong round bone, can tend to turn feet if not guarded against. I feel there is more to come from this dog with maturity, good luck.

2. Williams & Hawksford's **Busells Red Knight Rising.**

Another red, a powerful male with a strong head, great expression, good bite, I found him to be a bit heavy in body that spoils the balance and perhaps gave the impression of being a bit stuffy in neck. He has good shoulders that lead to a straight front and short coupled body, his rear angulation is not helped by handler dropping bait directly in front making him drop his chest through and lowering his brisket, nonetheless a quality dog that needs presenting to best advantage.
