I would like to take this opportunity to thank the Windsor Dog Show Society for inviting me to judge Bull Terriers at their lovely Show. Windsor Dog Show has long been one of my favourite places to show and I have many fond memories of wonderful days spent on this show ground.

It was lovely to hear the National Anthem before "start of play"- long may these traditions continue. The weather held up - just! I managed to carry on judging outside through a couple of light showers.

Overall I felt the quality was very good. There were hardly any bad mouths and a fair number of good movers. On the downside it is disappointing to see that we seem to be losing length of neck, with more and more "stuffy" ones on show, I feel a good reach of neck gives a Bull Terrier a necessary touch of elegance to balance the heavyweight frame.

Both CC's went to animals in the same ownership; congratulations on a great achievement. The big surprise was the Best of Breed who is only 9 months old and at his first show. He is mature beyond his age and is a very exciting prospect. Later on in the day he was further rewarded by winning Group 4 - what a debut!

Veteran Dog or Bitch (3 Entries)

1. Sheppard & Howes's **Bilboen Legally Blonde For Polanca.**

Nearly 8 year old white bitch with a brindle left ear. She has a decent head without exaggeration and her eye is a touch round. Perfect mouth. Good, straight front with a rounded body shape, very good quarters. Movement was close behind. Lovely tight cat like feet.

2. Haase's **Bavazuella Ingemar Joh.** Another sprightly nearly 8 years old white dog with a strong head needing more profile. Lovely well placed and shaped ears with a tiny eye giving a good expression. Mouth is just off. Good front with strong, well rounded bone. Square compact body shape leading into well shaped and turned quarters. Movement a bit close behind. Overall an honest, well bodied dog who is ageing well. He won his place on his better topline.

3. Williams' **Ch. Cwmdulais Love Me Tonight At Gwynsel JW.**

Puppy Dog (3 Entries)

1. Young's **Bullyview Mobsta.**
Dog CC, Best Puppy & Best Of Breed
Beautifully shaped powerful white dog, only 9 months old. He has a super strong and short head with a lovely profile and a tiny eye giving a cracking expression. Black ears erect and well placed. Perfect mouth. Very good straight front, deep brisket and well sprung ribcage. Lovely quarters, shapely and well-muscled. Good movement. What a package in an animal so young, very mature and looking the finished article already. Difficult to fault.

2. Jenner's **Mr. Hustle And Bustle.**
Tri-colour dog with a good head, nice profile but lacking some fill. Good neat ears. Eye a little round showing rather a lot of haw. Good mouth. Front is nice and straight with a slender immature body shape, would prefer more angulation to the rear quarters.

3. Malden's **Louka Kolor Koded.**

Junior Dog (2 Entries)

1. Carrick's **Bullbrand Solonius.**
Compact heavyweight 17 months old white dog with a large, strong and well filled head. Good well placed ears and a tiny excellent triangular shaped eye. Perfect mouth. Good front but a little down on pasterns. Deep brisket and strong body with well-shaped rear quarters. Covered the ground well on the move. His coat was a little out of condition.

2. McDermid's **Padhen Hitman.**
Black brindle dog with a decent head, nice profile but lacking some power. Good neat ears and good mouth. With his slender body lines quite a different type from 1. Very well shaped and angulated quarters. Sweet temperament, presented and handled well.

Post Graduate Dog (7 Entries, 1 Absent)

1. Gardner & Twyman's **Laronbelle's Magic Vision.**
White dog with strong head but lacking a little fill under the eye. Brindle eye patch and 1 brindle ear. Good mouth. Front feet turn out a little and the toes are a bit spread. Plenty of bone and well bodied, typy dog with good hindquarters. Movement a little close behind.

2. Taylor's **Ragnarok Radolf (Imp).**
Big square shaped red dog with a powerful head. Ears are neat and well placed with a good expression. Carrying a bit too much weight. Mouth is just off. Good front but his feet are a bit untidy. Lovely well angulated quarters.

3. Marple's **Taylajay Look No Further.**

Limit Dog (2 Entries)

1. Kocaba's **Badlesmere Berties Brother.**
Big black brindle and white dog with a short and strong head lacking fill under the eye. Large erect ears and good expression. Good mouth. Lovely

deep and wide barrel chest, good front with plenty of bone. Lovely bend of stifle and covered the ground well. His toes are a bit splayed.

2. Newberry's **Hells Boy By Ukusa.**
Very tall red smut dog with a rather long head which needs more fill. His mouth is level. Ears well placed and a nicely shaped triangular eye. His body is rather shapeless and he lacks somewhat in type.

Open Dog (5 Entries, 3 Absent)

1. Griffith's **Hentarw Welsh Warrior From Penpych.**
Dog Reserve CC
A really well made, typy black brindle and white dog with plenty to like. He has a lovely shaped head, strong and deep with a smooth profile. Good neat ears, well placed with an excellent expression. Mouth is level. His front feet turn out a little but he has beautiful quarters, angulated and very shapely. Short coupled body lines with a lovely reach of neck and good shoulders. His movement was very free flowing and with drive.

2. Morgans' **Marshelsea Trouble Coming At Romagna.**
Big white boy with lots of bone. Strong head with a black ear. Would prefer more fill to head but he has a lovely small eye giving a good expression. Teeth are level. Carrying a bit too much weight, but has lovely quarters and moved well.

Puppy Bitch (7 Entries, 1 Absent)

1. Ley & Bloomfield's **Fortifer's Flametta.**
Very pretty, compact red bitch with lots of virtues. A beautiful head, lovely reach of neck and well placed shoulders. Mouth is just off. A short back with good well angulated quarters. Ears erect and well placed, a lovely expression and cat like, very tidy feet. She never stopped showing and her handler deserves some credit for this performance.

2. Foster's **Bilboen X-Rated.**
Another red, somewhat paler than the winner. Tall and rather slender at present. Good length of head but a touch narrow in muzzle. Very good expression. Lovely straight front and excellent parallel movement. Needs to develop in body.

3. Ironmonger's **Bullyview Snowflake Britanic.**

Junior Bitch (1 Entry)

1. Gardner & Twyman's **Zaracle Zofia For Laronbelle.**
Big bodied white girl with an eye patch. Her head lacked a bit of profile but she has nice ears and a lovely shaped eye giving a very good expression. Perfect mouth. Her front feet turned out a bit and her movement was difficult to assess as she was a bit all over the place. Quarters are well shaped with lovely angulated stifles. Her tail carriage is a bit high but overall a pleasing bitch.

Post Graduate Bitch (6 Entries, 1 Absent)

1. L'Homme's **Goodbye To Helen Wheels.**
Well bodied white bitch with a long head. Correct expression and erect black ears. Perfect mouth. Lovely straight front and a deep brisket with very good quarters. A touch long caste in body with very neat well-shaped feet. She moved well both ways.

2. Bloom & O'Neill's **Kholander Tropicana At Abenaki.**
Short coupled, compact red bitch with straight front and well-shaped quarters. Her head has a good profile but lacks fill under the eyes. Very small neat ears and correct mouth. A little down on her pasterns but she very moved well.

3. Davies' **Bullyview Eyes Of An Angel.**

Limit Bitch (3 Entries, 1 Absent)

1. Konings & Berez's **Action Hot And Classy.**
Bitch Reserve CC
A white bitch with lots of quality and style. Long head with a classic profile and perfect mouth. Left ear a little soft. Very small well placed eye giving the sharpest of expressions. Front feet turn out slightly. Her body is well shaped but a touch long. Very good hind-quarters and moved very well. Handled expertly and presented in great condition.

2. Taylor & Sheppard's **Bullywood Avenging Star To Ragnarok.**
White bitch with a pleasing head and good profile. Correct mouth. Lovely erect ears and a very good expression from a tiny eye. Straight front and well-shaped quarters. Would prefer more bone and her coat was a bit out of condition.

Open Bitch (4 Entries, 2 Absent)

1. Young's **Sp Ch. & Ch. Polaris Bull De Cabanas At Bullyview.**
Bitch CC
Well bodied, typy white bitch with bags of quality and plenty to like. Good, strong head, filled up with a beautiful profile. Black eye patch and a small eye giving a great expression. Perfect mouth. Good spring of rib and shapely body. Short back, lovely well shaped and muscular quarters. She moved out well and covered the ground with drive.

2. Howes & Sheppard's **Ragnarok Daralis With Polanca.**
Well presented brindle bitch in lovely condition, her coat was gleaming. Good head, deep and filled with classic profile. Slight round eye. Correct mouth. Straight front with rather narrow chest, lacking some spring of rib. Well turned and shapely quarters, a touch long in back with a rather flat topline. Upright in shoulder and would like to see a bit more reach of neck. Showed beautifully for her handler.
