This Show was dedicated to Tom Horner in what would have been his 100th year. The rather lovely rosettes were specially made and donated by his daughter Kate who was present along with Ferelith Somerfield. It just remains for me to thank the Bull Terrier Club for this invitation, and every single exhibitor who entered under me.

2. Wright's Rightstuff Reflect A Bull.

14 months white, well presented but having a giddy day so movement hard to assess. Pink nose at moment and has kind eye, but enough head fill, good mouth and length of neck, with more muscle tone and body condition will improve.

Dog CC

5 year old black brindle, tremendously masculine male in excellent condition with not an ounce of flab. Has good strong, filled head with depth and breadth throughout. Very minor mouth fault. Super eye with mischievous glint. Erect ears, good length of neck to correct lay of shoulder. Straight front and good feet, good deep brisket and spring of rib, well muscled hind quarters with well developed thigh. Keeps topline on move. One of the better movers fore and aft although flagging slightly in the challenge.

2. McDermid's Ch. Padhen Hitman.

Black brindle and white in immaculate condition and shown to perfection. He is very smart, very good profile and neat erect ears bang on top. Correct mouth, good eye, long neck to straight front. 3. Wannop & Crossan's Son Of Legends.

Puppy Bitch (2 Entries, 0 Absent)

1. Stratton's Unionbul's Fallen Angel. Best Puppy

White 11 months old, dainty feminine bitch with enough of everything. Tiny eye, good mouth, neat erect ears, short back and beautifully trained. Has very short length of tail but is set on correctly so does not detract. Moved decently both ways.

2. Williams' Cwmdulais Hentarw Black Dahlia.

Tri-colour completely different to 1st, has tremendous profile, would prefer more under jaw, good mouth and very good eye. Another one having giddy day so movement almost impossible to assess. Good bone.

Junior Bitch (7 Entries, 2 Absent)

1. Hackett's Spartiate Pandora.

Walloping big black brindle 16 months old. Good head with correct mouth and good eye. She has huge bone and substance but most importantly retains her femininity. Good straight front, good feet and well muscled quarters. Moves with drive if a little close behind.

2. McDonagh & McLeish's Irazistabull Star Of Athena.

14 month white with tri eye patch. Another in good condition with good head, enough fill and well set ears, mouth OK, nice length of neck, make and shape there, just needs to mature, movement better coming than going.

3. Newberry's Bully Trip Hells Angel By Ukusa.

Maiden Bitch (1 Entry, 0 Absent)

1. Wright's Rightstuff Mobsta's Moll.

Pretty feminine white just over 1 year. Has good head filling nicely, good mouth, small eye, ears not quite bang on top. Has promising make and shape, her very exuberance meant movement erratic.

Novice Bitch (5 Entries, 1 Absent)

1. Morgans & Wilson's Romagna Drama Queen.

17 months, beautifully marked brindle and white. Ultra feminine. Looks a picture standing, just the right amount of condition. Has good profile, with enough fill and depth and under jaw. Good mouth, lovely eye and expression. Good ear carriage. Lovely neck flowing to straight front, good spring of rib, good quarters with bend of stifle. Moved decently both ways.

2. Smalley's Briden Summer Breeze.

White with black eye patches, 16 months old. Another feminine girl with adequate bone for her make and shape, she has small eye and neat ears. A little straight in stifle when standing at ease, and better coming than going.

3. Carrick's Bullbrand Bonnie Not Clyde.

Graduate Bitch (4 Entries, 1 Absent)

1. Tittensor's Jessajack Sweet Sensation.

15 months brindle and white. Another really strongly made girl who does not

lose her femininity. Have to feel her head which has width through and depth. Good wide under jaw, so good mouth. Triangular eye and good ear set. Straight front and excellent spring of rib. Her excellent quarters and bend of stifle topped by neat feet. One of the better movers to day fore and aft.

2. Whittaker & Fernandez' Wengormick Grace Villsonny.

2½ years white unlucky to be in same class as the 1st as she can move as well. Totally different type, elegant, feminine and compact with short back and everything in proportion from her profile to tail set.

3. Carrick's Bullbrand Gambino's Girl.

Limit Bitch (10 Entries, 1 Absent)

1. Galla's Vetsbullies Happiness.

Red and white 2 years old shown in perfect condition, beautifully trained. Lovely head with profile has to be felt but depth and breadth and width of under jaw. Good mouth. Lovely arched neck and straight front with good bone. Spring of rib and deep brisket, very shapely quarters with good bend of stifle (she does tend to stand with hind legs stretched back making her look longer in back than she is). Whip tail that was actually trimmed. Moved better coming than going.

2. Blair's Heaven White Himaylaya's Snow Mountains.

15 months old white substantial bitch presented in gleaming condition. Has excellent head with fill and depth and under jaw. Super eye and ear carriage, good mouth. Very good bone, straight front and well defined bend of stifle. Another good tail set. Moved better coming than going.
