Bull Terrier Club Of Wales Championship Show March 3rd, 2013 Judge: Mr C. Kilpatrick

It was one of my proudest moments to judge the Bull Terrier Club of Wales, a Club very close to my heart, for many reasons. Firstly it is a well-run family Club that always makes everyone feel welcome. Secondly it is a traditional Club with high moral values practiced by committees past and present.

I was happy with the quality set before me, yet again bitches strength in depth shone out, in some classes bitches standing third to fourth could have been CC winners. Yet again I will touch on the subject of lack of bone throughout, something that we must address before it is too late. We do not want to take the 'Bull' out of Bull Terriers.
