It was a well run show with kind hospitality. What the entry lacked in quantity, it more than made up for in quality and with no absentees in Bull Terriers. I appreciate all the exhibitors for attending on one of the hottest days of the year.

Junior Dog (2 Entries)

1. Woodward's **Gorbain Hellboy**. Quality white with well filled head and wicked expression, mouth OK, well sprung ribs, short back, good topline and angulations, moved adequately. One I considered for top honours.
2. Dyson's **Gorbain Hellraiser Tawnbarr**. Litter brother to 1. Upstanding br/w, long filled head, correct mouth, straight front, very good bone and angulation, moved freely.

Novice Dog (1 Entry)

1. Foster's **Bilboen Your Eyes Only**. Impressive white, super head, completely filled, well placed ears and excellent expression, correct mouth, ultra short back, deep chest, good topline and bone. Front needs to tighten. Another contender for the top honours. Moved very well.

Post Graduate Dog (1 Entry)

1. Kenny's **Abbies Lucky Lad**. Heavyweight white, head needs more profile and fill. Correct mouth, good bone and straight front, showed well and handler got the most out of him.
