#### Puppy Dog (5 Entries, 3 Absent)

1. Cserfalvi-Young's **Ducassos The Messiah**.  
7 month old brindle and white, nicely constructed with good bone, compact, short in back, lovely cat feet, excellent head with fill and width, correct mouth. He has a nice bend of stifle and is a lovely mover which completes the picture.
2. Hook's **Mystic Ocean**.  
10 month old white with brindle ears, nicely constructed with a good layback of shoulder, good bend of stifle, with a lovely head. I would like to see a tighter elbow but that should improve as he ages. More ring training will help in the future.
3. Griffith's **Variiegated Man**.

#### Novice Dog (6 Entries, 4 Absent)

1. Wormald's **Stand And Deliver Sir**.  
2½ year old tri-colour, large, upstanding boy, with a lovely head, nicely filled down to the nose, good ear placement and a correct mouth. Nice angulations front and back, moves freely coming and going. Would like a tighter elbow and would benefit from more ring training.
2. Hook's **Mystic Ocean**.

3. Karta-Williams' **Karmara's Public Enemy**.

#### Post Graduate Dog (2 Entries, 1 Absent)

1. Mortlock's **Sunny's Enter Sandman**.  
**Best Dog & Best Opposite Sex**  
3 year old lovely mahogany brindle and white, beautiful head with a lovely expression, nicely filled, good ear set and correct mouth, well made throughout, moved freely.

To be really picky, a tip more down face would be nice and a bit more width of chest would complete the picture.

2. Karta-Williams' **Karmara Consider Me**.  
13 month old white bitch with black head markings, a wonderful head

which could use more width overall, excellent construction with nice chest at her age, a little bit leggy at the moment and two mismarks on her coat, but other than that a top bitch!

Res. Wilkins' **Albaeda Dolly Dagger**.

1. Blair's **Aricon Eye Society Into Megaville**.
