Notts & Derby District Bull Terrier Club Limit Show December 1st, 2013 Judge: David Westwood

BIS: **Megaville Signing Off**
BOS: **Donrebars All Sorts Of Kaos For Afanbull**
Best Puppy: **Ukusa Vegas At Diton**

I would like to thank the Committee for giving me the opportunity to judge at this well run Show. Preparation is an important factor with showing your dog at its best and majority of the exhibits were shown in great condition.

Puppy Dog (3 Entries, 1 Absent)

1. Wannop's **Off The Charts At Charishalee.**

9 month old white. Very typy puppy, lovely head and expression with good mouth. Ears bang on top, square front, short backed into excellent rear angulation. Feet could be neater. Maturity will only improve this dog.

2. Moore's **Tougher Than The Rest.**

11 month old red who was a little apprehensive today. Adequate head, good mouth, level top line, square front with good feet. Movement OK when he got going.

Novice Dog (1 Entry, 1 Absent)

Maiden Dog (1 Entry, 0 Absent)

1. Clayton's **Romagna Parisienne Prince.**

Ample bone and substance. Mouth correct and good ear placement, would prefer more profile. Level top line, good feet, well let down rear. His movement was hard to assess.

Junior Dog (3 Entries, 0 Absent)

1. Hillings' **Chardaice Fist Of Fury.**

Reserve Best Dog

Brindle and white with gentle profile to head. Excellent expression. Good square front with tidy feet. Nice rear angulation so moved with drive both ways. Would like a touch shorter cast.

2. Paterson's **Golitha Mystify.**

Well put together black brindle and white. Square front with good feet, short backed and level top line. Good rear quarters, movement OK. Very close decision, just preferred the head shape of 1.

3. Griffith's **Varigated Man.**

Post Graduate Dog (6 Entries, 2 Absent)

1. Emmett's **Bradak Truth Or Dare.**

Cobby type of dog, gentle profile with good eye and ear placement. Straight front with tidy feet, level top line. Movement OK but going away was slightly choppy.

2. Leggatt's **Javarke Karbon Kopy.**

Lovely balanced dog with attractive head with a keen expression. Nice square front and good feet. Short backed, moved and handled well.

3. Binks' **Jayston White Warrior.**

Limit Dog (4 Entries, 1 Absent)

1. Foster & Bicker's **Bilboen Your Eyes Only.**

Dog whose head is superb, packed and

well filled with good profile. Mouth good and ears bang on top. Straight front and short backed into good rear angulation, handled well.

2. Leesley & Bryant's **Lydsyll Lucky Luciano.**

Very pleasing on the eye. Well put together with a beautiful head with wicked expression. Good ear placement. Square front with good feet, short level top line, moves well with drive. Would like a little more width on muzzle, well handled.

3. Hammill's **The Priest.**

Open Dog (4 Entries, 0 Absent)

1. Blair's **Megaville's Signing Off.**

Best Dog & Best In Show

The bone and substance is immense on this boy, without losing type. The head can give a false impression, it has pack and fill right through. Mouth correct, good expression and ear placement. Good square front with huge cat like feet. Front and rear quarters are correct, all held together with a level top line of the length required for a dog of this size. His movement, when he got going, was a picture with ample drive. Excellent condition and well handled.

2. Kettleborough's **Bullysoul To Hard To Handle.**

This dog is well put together, good profile, eye and ear placement. Square front with a good lay of shoulder. Level top line which held well on the move, handled well, preferred the overall masculinity of 1.

3. Mathison's **Notorious Joker Of Blazinbullys.**

Veteran Dog/Bitch (5 Entries, 4 Absent)

1. Haase's **Bavazuela Ingemar Joh.**

I would call this dog the top end of cobby with little to fault for 9 years old. Nice head with good ear placement. Square front with good shoulders, level top line into good rear angulation. Moved freely and well handled.

Special Brood Bitch (4 Entries, 2 Absent)

1. O'Connell's **Elvroc Who Dares Wins At Koellen.**

Quality heavyweight bitch in good condition. Beautiful head with good expression and ear placement. Good straight front, plenty of rear angulation, moved well.

2. Stones' **Yungwood Sweet Blackberry.**

Pretty black brindle bitch with good head with nice expression and ear placement. Square front with good feet. Plenty of drive from the rear. Not the power and substance of 1. Enjoyed her day.

Puppy Bitch (11 Entries, 4 Absent)

1. McCann's **Ukusa Vegas At Diton.**

Best Puppy

6 months old and a very beautiful puppy, stands square. Head is plenty for this stage and she has a good expression and ear placement. Nice tidy feet, correct shoulders into a short level top line and good rear quarters. Moved well both ways and handled well.

2. Blair's **Louivone Squeezebox In To Megaville.**

8 months. Another quality puppy but of different type to 1. Super head and

expression, square front with tidy feet. Lovely reach of neck into a level top line, nice turn of stifle allowing freedom of movement. Just preferred the overall package of 1.

3. Abbott's **Elvroc Bang Tidy At Bulldazzled.**

Novice Bitch (5 Entries, 1 Absent)

1. Moore's **Li'l Lady Firecracker.**

Excellent make and shape. Good mouth, expression and ear placement. Her front is square and feet superb. Good shoulder placement and short level top line. Good rear angulation which with more practice would emphasize her movement which is good. Would prefer more profile but the whole picture won her the class.

2. Wright's **Rightstuff Mobsta's Moll.**

Another well put together bitch with tremendous head and profile with wicked expression. Good front and feet, short backed and plenty of drive through the rear when moving. Well handled.

3. Morgans' **Romagna Rumour Has It.**

Junior Bitch (5 Entries, 4 Absent)

1. Ramshaw's **Dark Magic Touch.**

Powerful black brindle and white bitch. Long packed head with good mouth and expression. Square front, level top line, moved OK although a little close behind, well handled.

Post Graduate Bitch (4 Entries, 1 Absent)

1. Sheehy's **Donrebars All Sorts Of Kaos For Afanbull.**

Best Bitch, Best Opposite Sex & Reserve Best In Show

Lovely tri-colour girl. Enough of everything to provide balance. Feminine head with good mouth, square front, level top line. Good turn of stifle which allowed correct movement coming and going. Showed and handled well.

2. Hamilton's **Ebullient Lady Ebony.**

Taller type bitch whose head is long but holds its fill. Tidy front, shoulders and feet, moves well, slightly long cast.

3. Binks' **Superlative Damsel.**

Limit Bitch (1 Entry, 0 Absent)

1. Littlefair's **Dikrams Tribal Magic.**

Another bitch with a lot to like. Tremendous profile, nice eye and good mouth. Good square front with clean shoulders and short backed. Would prefer more turn of stifle which would improve appearance of topline. A bitch always in the running.

Open Bitch (4 Entries, 1 Absent)

1. Blair's **Aricon Eye Society In To Megaville.**

Reserve Best Bitch

Excellent construction. Very feminine short head with lovely profile and keen expression. Front is square onto good feet. Rear is well let down, short backed, moves well, a touch heavy on the day.

2. Favill's **Padhen Pandoras Box At Krawen.**

Brindle and white girl with nice make and shape. Elegant head with a good eye. Tidy shoulders and front. Good rear angulation and holds it all together on the move, in good condition.

3. Sheehy's **Wellinghall Ebony Nugget For Afanbull.**
