Veteran (2 Entries)

1. Sheppard & Howe's **Bilboen Legally Blonde For Polanca.**

Well made feminine white bitch,

nearly 9 years. Nicely filled and turned head with good mouth, straight front with tucked-in elbows. Moved better in front than the dog, a little close behind. Good condition for age.

2. Brown's **Ply For Hire.**

Showy cobby br/w dog, nearly 9 years. Strong filled head with nice turn and good under jaw, good mouth. Bit out at the elbow. Cat feet. Shorter in back than bitch but toed in at front. Good condition for age.

Puppy Dog (0 Entries)

Junior Dog (4 Entries)

1. Nelson's **Bilboen Yanniss.**

Tri cobby dog, well made throughout, filled head without exaggeration, good mouth, lovely straight front. Moved well in front, closer behind but covered the ground.

2. Shippam's **Kescostaff Lover Boy.**

Super headed white dog with wicked eye and expression, power packed head with sweeping profile, mouth undershot. Immature in body and slightly out at the elbow. Moved better in front than behind.

Yearling Dog (2 Entries)

1. Rowe's **Bilboen Xavier.**

Cobby, compact r/w dog. Super power packed filled and turned head with excellent expression, mouth undershot, beautiful straight front with lovely cat feet, well made throughout, balanced and very shapely, super condition. Moved well in front but closer behind. Considered him for RCC.

2. Menikedes' **Sutabul De Ice Man.**

Rangy white dog with nice bodylines, nicely turned head. Wicked eye, but lacks power under the eye. Mouth correct, straight front. Lightly ticked coat, movement difficult to assess as his handler seemed very inexperienced and was having difficulty moving him at the right speed. Really quite a nice type, but he didn't make the most of himself.

Post Graduate Dog (4 Entries)

1. Parkes & Burridge's **Chardaice Dillinger.**

Well made balanced r/w dog, lovely

filled and turned head with good mouth and wicked eye, shapely throughout with lovely forechest and straight front with neat feet, moved well in front and OK behind. Seemed to lack the power of some of the other dogs but this may come with maturity.

2. Foster's **Bilboen Your Eyes Only.**

Ultra tpy and cobby masculine white dog, super sweeping power packed head, wicked expression, mouth OK, powerful quarters which he really drove from behind and covered the ground. Preferred the front and balance of 1.

3. Moore's **Charming King.**

Limit Dog (3 Entries)

1. Newberry's **Ukusa Quagmire.**

Typy, cobby, compact white dog. Super expression, lovely turned and filled head with good under jaw and good mouth, straight front, shapely body, sparkling white coat, moved fairly parallel. Prefer more angulation. Seemed very distracted in the class so didn't show at his best, improved with change of handler in challenge and I considered him for the RCC.

2. Kocaba's **Badlesmere Bertie's Brother.**

Upstanding, showy b/br/w dog. Powerful turned head with good expression and good mouth, lovely reach of neck and nice shapely outline, fairly well made throughout. Not as short in back as 1, prefer more rear angulation. Moved well in front and closer behind.

3. Pullen's **Louka Gone Racin'.**

Open Dog (8 Entries)

1. McDerimid's **Ch. Padhen Hitman. Dog CC & Best Of Breed**

Super shapely balanced b/br/w dog, teaming with quality. Lovely filled and turned head without exaggeration, mouth correct, really well made throughout with flowing outline, lovely reach of neck with shapely forechest, beautiful straight front with cat feet, sparkling condition. Moved well in front and close behind. Showed like a top.

2. Lamonby's **Emred Devils Spy.**

Dog Reserve CC

Ultra shapely cobby white dog, super power packed filled and turned head, wicked expression. Mouth just off. Lovely reach of neck with shapely forechest and well sprung ribs, good lay of shoulder. Turns front feet out slightly. Really short coupled, moved parallel and with drive, best mover in the dogs. Super tpy show boy.

3. Blair's **Taylajay Dream A Lie.**

Minor Puppy Bitch (2 Entries)

1. Williams' **Cwmdulais Hentarw Black Dahlia.**

Super sweeping headed b/br/w puppy bitch. Good mouth, lovely reach of neck and very showy. Still got a lot of maturing to do in body as rather fine throughout. Nice turn of stifle, would prefer a shorter back.

2. Malden's **Louka Special Lady.**

More cobby white puppy bitch. Strong head with good mouth, fairly straight in front. Prefer tighter feet. Good turn of stifle. Overall look is distracted by a skin condition. Still needs to mature on.

Puppy Bitch (2 Entries)

1. Young's **Bullyview Sweet Memories.**

Ultra tpy white puppy bitch with sweeping profile, good mouth with decent under jaw, wicked expression, shapely body, lovely reach of neck, straight front with neat feet. Seemed to be having a phantom which spoiled her outline. Very showy, moved parallel.

2. Dodwell's **Bullyview Mobstas Maid.**

Cobby r/w puppy bitch, lovely turned head with good fill and good mouth, fairly well made throughout, good hind angulation. Not as balanced as 1. Moved better in front than behind. Didn't make the most of herself.

Junior Bitch (9 Entries)

1. Grieves' **Teirwgwyn Miss Independant Of Meilow.**

Lovely upstanding tri bitch with flowing bodylines, lovely filled and turned head without exaggeration, with good under jaw, good mouth, lovely reach of neck and very balanced throughout, good hind angulation. Moved better in front than behind but covered the ground. Not as straight in front as 2, but good lay of shoulder. Beautiful showgirl who just needs to mature on a tad in the body to complete the picture.

2. Morgans & Wilson's **Romagna Drama Queen.**

Elegant br/w bitch, built on the same lines as 1, but longer cast. Lovely filled and turned head with good mouth. Ears could be better placed. Lovely reach of neck with straight front and cat feet, well angulated hindquarters. Moved better in front than behind. Still needs to mature on in the body.

3. Llewellyn's **Emred Bluebell Girl Bullypins.**

Yearling Bitch (3 Entries)

1. Smalley's **Briden Summer Breeze.**

Compact neat feminine white bitch. Power packed head with excellent profile and good under jaw. Wicked expression, one instanding canine. Really well made throughout, straight front with cat feet and good turn of stifle, moved parallel. Still needs to mature on in body.

2. Carter's **Loquitur Enchanter.**

Bigger and more powerful white bitch, powerful head with sweeping profile, mouth correct, good earset, lovely reach of neck, good bone and substance, well angulated quarters. Not the feet or conformation of 1. Moved better in front than behind, not as balanced as 1.

3. Malden's **Louka Frosty Lady.**

Post Graduate Bitch (7 Entries)

1. Mitchell's **Work Of Art at Beebeemi.**

Cobby and powerful white bitch, head filled right up with wicked eye and good mouth. Not overdone, fairly well made throughout. Well sprung rib with good turn of stifle. Prefer better shoulder placement and shorter back. Moved fairly well both ways.

2. Mills' **Simbartahill Tell Tail Lass.**

Feminine br/w bitch, lighter in bone than 1. Lovely turned and filled head. Mouth off level. Very shapely throughout with good turn of stifle, moved parallel coming and going. A bit loaded in the shoulder.

3. Brown's **Louka Pretty Lady.**

Limit Bitch (4 Entries)

1. L'Homme's **Goodbye To Helen's Wheels At Kaiserbull.**

Ultra shapely feminine white bitch, nicely turned head with good under jaw, wicked eye, good mouth. Head lacks power. Really well made throughout with lovely reach of neck, moved parallel, super showgirl.

2. Pickering's **Ukusa Dark Queen At Urbanbully.**

Upstanding b/br/w bitch, lovely turned head but it lacks power. Good mouth, straight front with neat feet, lovely reach of neck, really good mover and covered the ground. Close decision but preferred the shape and femininity of 1.

3. Shippam's **Kescostaff Wispa.**

Open Bitch (6 Entries)

1. Young's **Bullyview Gansta's Girl. Bitch CC**

Super upstanding feminine white bitch with power packed head, sweeping profile and wicked eye, mouth just level, lovely reach of neck, straight front with neat feet, shapely and balanced throughout with lovely turn of stifle, moved parallel and drove from behind when settled, showed well.

2. Ley & Broomfield's **Fortifer's Flammetta.**

Bitch Reserve CC

Smaller and cobby compact r/w show girl. Super head, completely filled and turned, slight mouth fault. Lovely reach of neck and really shapely throughout. Not as straight in front as 1 but well laid shoulders. Excellent hind angulation which she really drove from and covered the ground, best bitch mover and never stopped showing.

3. Caprino's **Lux/Int/Dutch Ch. Satyricon Devil Wears Prada.**
