I would like to thank everyone who supported my first UK Championship Show appointment. Overall quality of the exhibits was very high. Given the difficulty in getting to the venue with the cycle tournament around London's major roads and the weather, I am very grateful to those who were in attendance.

Despite having a forecast of rain, the weather held out, albeit very windy. As we were under a tent after another breed, between the wind and the smells on the ground, some exhibitors had their work cut out to get the best out of their exhibits.

**Puppy Dog (0 Entries)**

**Junior Dog (1 Entry, 0 Absent)**

1. Bunce's **Rubbise It's Complicated**.

17 month old heavyweight black brindle and white dog. In a time when it is said that males are beginning to lack substance, that can't be said of this dog. He excels in bone and substance with thick round bone and super second thigh. Straight front, tight cat feet. Gentle profile with no dips, wide, filled head with OK mouth.

**Post Graduate Dog (2 Entries, 0 Absent)**

1. Howes & Sheppard's **Polanca Powerslave**.

13 month old red brindle and white dog, promising but still immature. Although this male is a youngster, he exudes quality. Lovely packed up head with good profile, bone under the eye and fill right down to the nose. Good ear set, nice expression and correct scissor bite with well-placed canines. Good forechest and lay of shoulder. Good bend of stifle and level topline, straight front leading to tight cat feet. Tendency to carry his tail high. Moved parallel in front. Light on the day, but should body up with maturity. Once matured, this young male looks poised for a bright future.

2. Hilling's **Chardaice Fist Of Fury**.

2 year old brindle and white. Nice mature male with beautiful tiger brindle coat. Good bone and substance with a nice profile, could use a little more fill, well set ears and mouth OK. Carrying a bit of extra weight which adversely affected his topline standing still and on the move. Moved true coming.

**Limit Dog (3 Entries, 0 Absent)**

1. Rowe's **Bilboen Xavier**.

Beautifully constructed red and white male. Well laid shoulder, short backed with level topline and good bend of stifle. Straight front and broad chest. Head smooth and turned with good width and power, could use a touch more underjaw. Nice front on expression. Mouth just off. Good overall balance and strength. An eye catching male, exuding ring presence who was in serious consideration for top honours.

2. Burridge & Parkes' **Chardaice Dillinger**.

Upstanding red and white male with nice body lines. Good forechest, strong second thigh and good bone. Nice arc to the head but could use a touch more fill. Good ear set and expression. Made his handler work hard on the day, a quality male unlucky to come against 1.

3. Evans' **Bronygarn Bold As Brass**.

Showy tricolour. Compactly built with nice profile and enough fill. Movement difficult to assess on the day. Well handled.

**Open Dog (4 Entries, 1 Absent)**

1. Young's **Feebacks Next Generation At Bullyview**.

**Dog CC**

Powerful compactly built red and white dog. Good turn of head with fill and a correct bite. Ears bang on top of his head and small eyes. Short back with strong chest and good hind angulation, when settled moved parallel coming and going. Made his handler work.

2. Blair's **Taylajay Dream A Lie At Megaville**.

**Reserve Dog CC**

White with black ears. Super bone and substance with a wide powerful head in depth and from the front. Good expression with tiny eyes and a correct bite, ears slightly wide. Powerfully built with enough forechest and hind angulation, short coupled. A quality dog exuding power. Movement difficult to assess from behind, moved parallel coming. Interestingly, he was the only white dog on the day.

3. Paterson's **Golitha Mystify**.

Substantial black brindle and white with a sweeping profile, enough fill and a good mouth. Was distracted on the day.

**Puppy Bitch (2 Entries, 0 Absent)**

1. Foster & Bicker's **Bilboen**

**Beyond The Stars**.

**Best Puppy**

11 months old upstanding black brindle and white mature puppy. Lovely turned and filled head with correct bite. Nice strong forechest, good hind angulation with well-muscled second thigh. Moved true coming, just a touch close behind going. Excellently handled youngster with loads of promise.

2. Coverdale's **Unionbul's Diamond Flame**.

8 month old white puppy bitch. Long packed up head with good bite and well placed ears, short backed. Still very much a youngster who was a bit overwhelmed by the noise from the windy tent on the day.

**Junior Bitch (6 Entries, 4 Absent)**

1. Harvey's **Bullbrand Banshee**.

14 month old tricolour bitch.

Another youngster not enjoying the noises of the rattling tent. Nice forechest and good bend of stifle. Good long, sweeping profile, with fill and a correct bite. Moved true coming and going. Nice overall bitch but ring presence needs to be addressed.

2. Foster & Bicker's **Bilboen Angels Kiss**.

8 month old flashy brindle and white bitch. Sweeping packed up profile with good incisors. Short coupled, good forechest, adequate hind angulation. Movement difficult to assess as in her enthusiasm, she did not settle.

**Post Graduate Bitch (8 Entries, 2 Absent)**

1. O'Connell's **Koellen Penny Black**.

**Reserve Bitch CC**

Lovely balanced feminine bitch with a sweeping profile. She has enough fill, mouth OK, well placed ears and small eye. Strong forechest, good shoulder angulation and hind angulation. Covered the ground well though lost her topline just a touch. Well-handled and presented.

2. Dodwell's **Bullyview Mobsta's Maid**.

Cobby, short coupled red and white bitch with good reach of neck. Nice profile with good fill and a correct bite. Balanced construction with enough forechest and good bend of stifle. Moved true coming but close going.

3. Smalley's **Briden Summer Breeze**.

Balanced white bitch with smooth eye catching bodylines. Lovely profile, with packed up head, uneven surface made her movement a bit choppy.

4. Thomas' **Bronygarn Bobby's Girl At Mostahbull**.

5. Morgans & Wilson's **Romagna Drama Queen**.

**Limit Bitch (7 Entries, 3 Absent)**

1. Bloom's **Abenaki Romantic Destiny**.

Quality white bitch with a sweeping arc that has enough fill, a correct bite and ears bang on top. Long reachy neck leading into a short back. Balanced construction with sufficient forechest and well angled quarters. Moved parallel coming, close going. Well handled in class but she seemed distracted in the final line up. Extremely close decision for top honours.

2. Blair's **Aricon Eye Society Into Megaville**.

White bitch with a nice profile, small well-placed eyes and correct bite. Short backed but had a tendency to lose her topline. When settled, moved off well aided by her strong second thigh. Very distracted by the smells on the ground and made her handler work hard to get the best out of her.

3. Karta-Williams' **Karmara's Rumour Has It**.

Super profiled white bitch. Feminine, up on the leg with a nice forechest. A little distracted on the day.

4. Galla's **Vetsbullies Happiness**.

**Open Bitch (9 Entries, 2 Absent)**

1. Catilina & Szewczyk's **Quentinhill Rebelicious**.

**Bitch CC & Best Of Breed**

White bitch with black ears. Feminine eye-catcher with flowing body lines. She has a good turn of head that is completely filled up from under the eye down to the nose. Small, well placed eyes and ears and a correct bite completed the picture. Compactly built with strong back end and super forechest. Despite being out of coat this little show girl never stopped showing, even into Group!

2. Young's **Bullyview Sweet Memories**.

Lovely headed white bitch with red head markings. Super profile with fill and a good bite. Short coupled, straight front leading to nice tight feet. Moved parallel coming. Well handled.

3. Ley & Bloomfield's **Fortifer's Flammeta**.

Another quality bitch with super packed up head and compactly built. Very showy.

4. Hicks' **Bullyon Love Unmeasured For Crisalia**.

5. Hackett's **Spartiate Pandora**.
