**BOS: Heaven White Himalaya's Snow Mountains**

**Best Puppy: Koellen Tri Being A Girl At Zankol**

Being in the breed for about 25 years I had a lot of beautiful days to remember but this day I will probably remember as my best. When I received the appointment to judge the Open Show I was really thrilled. I would like to express my gratitude to the Bull Terrier Club committee for the privilege that was granted to me.

Being from another land, it was a big honour to come and judge in the home country of the Bull Terrier. I must say that I was impressed by the overall quality of the many dogs and bitches who entered to Show. It was a pleasure going over so many good dogs and bitches.
