It was an honour to be asked to judge by this prestigious Club and I would like to thank the committee for the opportunity. I had a great day and really enjoyed it. I would also like to thank all the exhibitors that entered under me. I found the quality of the dogs that came under me high and I'm sure that there are some raising stars amongst them.

**Special Beginners Dog** (1 Entry, 0 Absent)

1. Haase's **Bavazuela Ingemar Joh**. Well-made 10 year old white.

Looking really good for his age and enjoying his day out. Powerful head which lacks a little between the eyes, strong under jaw, small eye and ears bang on top. Strong neck going into good lay of shoulders, straight front, short back, with powerful quarters. Moved parallel. A credit to his owner.

**Puppy Dog** (3 Entries, 0 Absent)

1. Kirby's **Bilboen Chariots Of Fire**.

**Best Puppy & Reserve Best Dog**  
11 month red and white quality male. Strong powerful head filled right up, deep under jaw, scissor bite, small keen triangular eye, correct ear placement. Long strong neck going into correct lay of shoulders, straight front, good top line with strong muscular hind quarters, cat-like feet. Stood four-square and moved parallel. Still needs to mature but caught my eye as soon as he walked into the ring. Certainly one to watch.

2. Otley & Harze's **Miinroc Very Irresistible**.

Another quality red and white 10 month old male. Classical head that lacks a little fill between the eyes. Correct bite, good ear placement, straight front, short back, enough bone for size. Lovely tight feet. Moved a little wide at the front.

3. Broadhurst's **Rightstuff Rebel A Bull**.

**Junior Dog** (3 Entries, 1 Absent)

1. Leggatt's **Rabram Royal Star**.

**Best Dog & Best Opposite Sex**  
14 month black and white compact, well balanced powerful male. Head filled right up with good strength to muzzle and deep under jaw. Correct

bite, small oblique eye, giving for a good expression, good ear placement which he used all the time, strong neck going into good lay of shoulder, straight front, short back with good strong hind quarters and correct back angulation. Just lost out on the top spot, due playing his owner up in the challenge.

2. Telford's **Koellen Travelling Show Man**.

16 month well made Tri. Classical head that could do with a bit more turn and fill. Good bite, straight front, strong neck into good lay of shoulders, enough bone for size. Moved well.

**Novice Dog** (3 Entries, 1 Absent)

1. Hackett's **Spartiate King Leonidas**.

Powerful cobby white male, bags of bone, lacks a little under the eye, level bite, 1 soft ear, deep chest, straight front, short back, good bend of stifle. Moved well.

2. O'Connell's **Koellen Cuben Gold**.

Power packed egg shaped head filled to the brim, small dark eye giving good expression, correct bite, ears bang on top, gun barrel chest, a tad long cast, plenty of lovely round bone, well-muscled thigh with good back angulation.
