As Seen By The Judges

North East Bull Terrier Club Championship Show June 15th, 2014 Judge: Mr S. Wheatley

Dog CC & BIS: **Ch. Notorious Joker Of Blazinbulllys**

Reserve Dog CC: **Feenick's Next Generation At Bullyview**

Bitch CC: **Fortifer's Flammeta**

Reserve Bitch CC & Best Puppy: **Gorbain Diamond Diva**

I would firstly like to thank the committee for bestowing upon me the honour of judging their Championship Show today, secondly and most importantly to the exhibitors for entering some top quality animals under me, and their sportsmanship in my decisions.

Minor Puppy Dog (1 Entry, 0 Absent)

1. Hewitt & Allison's **Precious Hero**. White boy with a good strong head with a lovely expression, good ear placement and a perfectly correct bite. Good round bone with lovely tight feet, good angulation front and rear. Moved well for a big youngster, just needs to mature.

Puppy Dog (2 Entries, 1 Absent)

1. Lambert's **Bayshuck Baker's Boy At Seittor**.

White with a decent head could do with a bit more fill under the eyes, nice round bone with good feet. Shoulders could be better, which became more noticeable on the move. Showed and handled well.

Junior Dog (4 Entries, 1 Absent)

1. Lamonby's **Emred Devil's Advocate**.

A lovely rich red dog standing four square, short coupled well balanced boy, strong turned and filled up head with good expression. Elegant neck flowing into well laid back shoulders, with good bone and feet. Held his topline on the move, which was good in front, but today his rear movement cost him the RCC. Showed in first class condition and handled to perfection.

2. Wannop's **Off The Charts**.

White boy. Another very well balanced short coupled chap. Good length and profile to his head, would like a little more fill to complete a very nice picture, mouth just off, good bone and substance. Very good quarters front and rear. Moved well both ways. In good condition showed and handled well.

3. Westwood's **Broken Arrow's Peaky Blinder At Tulsadoom**.

Novice Dog (2 Entries, 1 Absent)

1. Weldrake's **Megabull Enter Sandman**.

10 month old brindle boy. Did himself no favours today, did not seem to be enjoying himself. Decent head

with correct bite, upright in shoulder and a bit long cast, rear angulation was good. Impossible to assess his movement as he wouldn't stop pulling.

Post Graduate Dog (2 Entries, 1 Absent)

1. Paterson's **Goltha Mystify**.

Black brindle boy. Another well balanced upstanding lad. With a good profile and expression, would have preferred a bit more width of muzzle to be hyper critical. Very slight mouth fault. Good bone and front with nice feet. Good topline which he held on the move. Good angulated rear quarters, moved decent both ways never stopped showing for his more than capable handler.

Limit Dog (2 Entries, 1 Absent)

1. Smalley's **Briden Backchat**.

White with black brindle head marking. Compact cobby boy. Very good balance with power and substance. Lovely strong clean head with good expression. Mouth just off. Shoulders could be better, short back with good rear angulation and nice feet moved parallel but lacked drive. Showed and handled well.

Open Dog (8 Entries, 2 Absent)

What a class, on another day could quit easily change these placings. That said...

1. Mathison's **Ch. Notorious Joker Of Blazinbulllys**.

Dog CC & Best In Show

White with a black inner ear. This boy just stood out for me today. Strong filled up head with sweeping profile, ears bang on top and those eyes, giving the most piercing of expressions. Ram rod front with good feet, lovely flowing lines showing off his very good shoulder placement and rear angulation, in super condition and never stopped showing, moved well both ways, no hesitation in awarding him DCC & BIS.

2. Young's **Feenick's Next Generation At Bullyview**.

Reserve Dog CC

Red and white powerhouse of a dog, super strong filled up head with gentle sweeping profile, ear placement could be better. Excels in bone and substance, short back with good angulation, shown in very good condition. Handled as always to perfection. In the challenge I awarded him the RDCC as a result of his rear movement where I feel today he excelled.

3. Redmond's **Warhorse El Pistolero**. I feel I have to mention my 3rd place dog.

What a stallion of a dog with an outstanding head and perfect mouth. Good front and rear angulation, super feet, bone and good movement, lost out today in my opinion on being too 'fit' and giving the impression of lacking substance, which he does not, a credit to his owner.

4. Williams & Hawksford's **Busell's Red Knight Rising**.

5. Newberry's **Ukusa Quagmire**.

Veteran Dog or Bitch (2 Entries, 1 Absent)

1. Littlefair's **Dikram Devils Deliverance**.

Black brindle 7 years young. Tall upstanding boy with a good strong head with fill and profile and a correct mouth, flowing body lines with ample bone. In good condition, showed well for his handler.

Minor Puppy Bitch (1 Entry, 1 Absent)

Puppy Bitch (5 Entries, 1 Absent)

1. Woodward's **Gorbain Diamond Diva**.

Best Puppy & Reserve Bitch CC

Very pretty young lady, head filled and turned without exaggeration, with a lovely expression and a perfect scissor bite, good straight front with lovely round bone and good feet. Lovely body lines and strong rear quarters. Moved well both ways. In the challenge she stood up and showed off her virtues, a pleasure to award her the RBCC & BPIS.

2. Dyson's **Gorbain Ice Maiden Tawnbarr**.

White with red ear. Sister to class winner, another good sound youngster. With a very nice feminine head with a sweeping profile and good mouth. Good body lines in good condition. Lost out to her sister today on rear movement.

3. Rakocy & Stachowska's **Lose Yourself At Credetta**.

4. Salt's **Middle Of The Night**.

Junior Bitch (3 Entries, 2 Absent)

1. Dobbin's **Debully Vagabond Queen**.

White with black ears. Very elegant upstanding girl, lovely profile with good finish, a bit more fill under the eyes would complete a very nice picture, good mouth, flowing lines with good straight front and well angled rear. Moved parallel but lacked drive today, a super show girl, handled well.

Novice Bitch (2 Entries, 0 Absent)

1. Nisbet & Kelly's **Bayshuck Colleen At Serenbull**.

Powerful tricolour girl with a very strong head but still remaining feminine. Lovely straight front, good topline which she held on the move. Strong rear quarters which she used when moving, both parallel and with drive, showed well.

2. Salt's **Middle Of The Night**.

Pretty terrier type black brindle. Sweeping profile but could do with more fill to complete the picture, nice flowing body lines with good front and rear quarters. Enjoyed her day.

Post Graduate Bitch (5 Entries, 3 Absent)

1. Karta-Williams' **Karmara Consider Me**.

Tall elegant white girl with a black ear. Gorgeous head with power and femininity, unfortunately her mouth is wrong. Good straight front with tight feet. Flowing neck and body lines into strong rear quarters. Moved well both ways. Very pretty show girl, handled well.

2. Taylor's **Koellen Tri Being A Girl At Zankol**.

Stocky bull type tricolour. Good turn and fill to her head, mouth incorrect. Good square front, strong rear quarters, a shade long cast, moved OK.

Limit Bitch (5 Entries, 1 Absent)

1. Smalley's **Briden Summer Breeze**. White with two black eye patches.

Compact very well balanced girl, powerful packed up head, one tight canine. Well rounded body. Lovely straight front, strong rear. Moved well both ways, showed and handled well.

2. Karta-Williams' **Karmara Rumour Has It**.

Tall upstanding all white. Very similar to her sister (previous class winner) lovely sweeping profile, elegant neck, shoulders could be better, good round bone, nice feet, moved parallel but lacked drive. Handled well.

3. Littlefair's **Dikram Tribal Magic**.

4. Thain's **Debully Dee Dee**.

Open Bitch (12 Entries, 3 Absent)

1. Ley & Bloomfield's **Fortifer's Flammeta**.

Bitch CC

Red and white girl. Superb make and shape, she has terrific ring presence, her head is turned and filled without exaggeration. Small ears bang on top. She has a reverse scissor bite with perfectly placed canines. Everything is as it should be, from her ramrod front with cat like feet, to her well laid back shoulders, short back and strong well defined rear quarters, she moved parallel and with drive striding out well. Handled to perfection and never stopped showing, pushed very hard for BIS.

2. Catilina & Szewczyk's **Quentinhill Rebelicious**.

White with black ears. Another stunning girl who never stopped showing. Strong elegant head with correct mouth, good bone and feet, very nice body lines. Strong quarters, moved with ease and purpose. Quality bitch, handled very well.

3. Young's **Bullyview Sweet Memories**.

4. Westwood's **Tulsadoom Square Peg**.

5. Ramshaw's **Dark Magic Touch**.
