Northern Provincial Bull Terrier Club Open Show October 19th, 2014 Judge: Mr K. Ramshaw

BOB: **Goodbye To Helen Wheels At Kaiserbull**

BOS: **Broken Arrow's Peaky Blinder At Tulsadom**

Best Puppy: **Jessajack Made Of Candy**

I deemed it a privilege to judge the Northern Provincial Bull Terrier Club Open Show, thank you for the invite and thank you to all the exhibitors that turned up on the day to support the Club and myself. The hospitality was exceptional, but as a northerner myself, be it a little further north, it was what one can expect from our end of the country. A big thank you must go to the committee and to those behind the scenes that worked so hard to put on the show.

Puppy Dog (1 Entry, 0 Absent)

1. Duggan's **Melaimee King Oscar**.
White dog. Head strong, just lacking a little down face and finish, mouth correct. Straight front, tidy feet, shoulders a little loaded. Short back, tail set and carried correctly. Well developed hindquarters with an adequate turn of stifle. Moved well behind and, when cooperating with his handler, OK in front.

Junior Dog (6 Entries, 2 Absent)

1. Westwood's **Broken Arrow's Peaky Blinder At Tulsadom**.

Best Dog & Best Opposite Sex
Brindle and white heavyweight with bone and substance in abundance. Head is strong, turned with adequate fill, minor mouth fault, correct canines and good width of jaw. Straight front, feet could have been a little tighter. Decent shoulders, deep brisket, well sprung ribs. Level topline and strong well developed hindquarters with a good turn of stifle. Moved with drive behind and reaching out in front. A very useful dog indeed.

2. Leggatt's **Rabram Royal Star**.

Reserve Best Dog

Typy black brindle and white. Good head with down face, fill and finish, one inverted canine. Straight front, pleasing body lines and sound hindquarters with a good turn of stifle. Moved better in front than rear as he tends to go close and roll a little.

3. O'Connell's **Koellen Cuben Gold**.

4. Parkington's **Bradaks Ruthless**

Remedy.

Novice Dog (4 Entries, 3 Absent)

1. Moore's **Tougher Than The Rest**.

Fawn and white. Head just lacks a little fill in front of the eyes, mouth correct. Front straight but could have been a little more up on his pasterns. Good depth of brisket with an adequate spring of rib, sound hindquarters and just enough turn of stifle. Moved well going but toes in coming.

Post Graduate Dog (3 Entries, 2 Absent)

1. Wormald's **Stand And Deliver Sir**.

Tricolour. Head pleasing but could do with more fill. Mouth correct, straight front but shoulders could be better. Good depth of brisket with a sweep up to sound hindquarters, just enough turn of stifle. Moved well behind and when cooperating with handler, fine in front.

Limit Dog (2 Entries, 1 Absent)

1. Leggatt's **Javarke Karbon Kopy At Rabram**.

Black brindle and white. Good head with turn and finish, ears could have been a little more on top. Mouth fault, canines. Straight front although shoulders are a little loaded. He has depth of brisket but is a little slab sided, sound hindquarters with a good turn of stifle and moved with drive and purpose.

Open Dog (4 Entries, 2 Absent)

1. Twyman & Gardner's **Laronbelle's Magic Vision**.

White brindle head markings. Head is strong but lacks a little in profile. Good mouth, eyes and ear placement. He has reach, a good front, shapely bodylines and strong hindquarters with an adequate turn of stifle. Moved with drive and purpose.

2. Kocaba's **Badlesmere Bertie's Brother**.

Black brindle and white. Head good but would prefer more fill in front of the eyes, mouth correct. He had a good straight front, pleasing body lines and strong hindquarters with an adequate turn of stifle. Moved close behind but fine in front.

Veteran Dog or Bitch (2 Entries, 1 Absent)

1. Grieves' **Borsalino Black Star At Meilow**.

Tricolour, head strong with a gentle turn. Nicely balanced dog with a good front and sound hindquarters. Movement good considering his age. Ten years young!

Puppy Bitch (3 Entries, 0 Absent)

1. Griffiths' **Jessajack Made Of Candy**.

Best Puppy
White. Not a big one but nicely balanced. Good head with an excellent expression, correct mouth, straight front although feet could have been a little tighter, sound hindquarters with an adequate turn of stifle. Nicely bodied up for a youngster. Movement difficult to assess due to lack of cooperation with handler, but in the brief glimpses I caught, she looked fine coming and going. Handler needs to work on this.

2. Coverdale's **Unionbul's Diamond Flame**.

White. Head good but not with the expression of 1, mouth correct, straight front only marred by untidy feet. Decent shoulder, topline and sound hindquarters with a good turn of stifle. Moved with drive, just going a little close, fine in front.

3. Peak & Sahin's **Melaimee Lollypop Shadow**.

Junior Bitch (4 Entries, 2 Absent)

1. McCann's **Ukusa Vegas At Diton**.

Quality White. Strong head with a gentle profile and good width of muzzle, mouth correct. Expression marred by bold eye and ear placement. Good front, firm topline. Correct tail set and good turn of stifle. Moved well both directions at the right pace.

2. Wormald's **Bradak's Ghetto Princess**.

White. Terrier type, head and expression good but not with the power of 1. Slight mouth fault. Front is straight, but a little slack in the pasterns. Firm topline, well angulated hindquarters, moved better coming than going.

Novice Bitch (1 Entry, 0 Absent)

1. Taylor's **Greywards Dancing Girl At Kilargo**.

Tricolour. Bull type, powerful turned head, slight mouth fault. Straight front, good depth of brisket and spring of rib, firm topline, tail set marginally high and just enough turn of stifle. Movement lacked a little drive behind, not too bad in front.

Post Graduate Bitch (7 Entries, 3 Absent)

1. Moore's **My Book Of Dreams**.

Red and white. She has a good head gently turned with width and fill to balance, a gun barrel front, good depth of brisket and spring of rib, firm level topline and well set tail. Hindquarters had only an adequate turn to stifle, moved a tad close behind, lacking drive, fine in front.

2. White's **Bilboen Angels Kiss**.

Brindle and white. Strong head with a good turn and desired expression, mouth fault. Good front, firm topline and well set tail, sound hindquarters with a good turn of stifle. On the move she went just a little close behind.

3. Taylor's **Koellen Tri Being A Girl At Zankol**.

4. Moore's **Lil'lady Fire Cracker**.

Limit Bitch (6 Entries, 4 Absent)

1. Littlefair's **Dikram Tribal Magic**.

Tricolour. Good head but would have liked a little more width of muzzle. Mouth correct. Straight front, good depth of brisket and spring of rib, short back, correct tail set and sound hindquarters but would prefer a better turn of stifle. On the moved just lacked a little drive.

2. Kocaba & White's **Shanthana Thai Black Orchid**.

Tricolour. Terrier type with a pleasing head and expression but tight canines. Good front and shoulders, firm topline although a tad long. Tail set high and carried gayly. Moved with drive and purpose.

Open Bitch (6 Entries, 1 Absent)

1. L'Homme's **Goodbye To Helen Wheels At Kaiserbull**.

Best Bitch & Best Of Breed

White. Miss make and shape should have been this girl's name because that is what she is. Superbly balanced with a good head, perfect mouth and pleasing expression. Reach, shoulders, front all good with nice tight feet, flowing bodylines, correct tail set and angulated hindquarters. Moved well coming and going.

2. O'Connell's **Koellen Penny Black**.

Reserve Best Bitch

Black brindle. Her head is eye-catching, beautiful in profile with strength and depth to balance. Mouth, she has one inverted canine. She has an alert expression with ears right on top, reach, shoulders and front are good. Short back, firm topline but only just enough turn of stifle. Moved OK in front but very close behind with little drive.

3. Westwood's **Tulsadom's Square Peg**.

4. Thain's **Debully Dee Dee**.

5. Roberts' **Teirwgwyn Treacle Tart**.
