I must say a huge thank you to The Bull Terrier Club and all of the Committee for their hard work in putting on such a successful Show. Also, thank you for the invitation to judge such a prestigious Show, I was amazed at the entry and the quality of the animals I was able to judge. To the exhibitors, who humbled me with their entries, coupled with their sportsmanship and good grace at my decisions, thank you so much.

The quality of the dogs meant that some dogs did not make the awards that on another day would surely place. It was difficult to place an animal third, fourth or fifth that I could easily see winning a Challenge Certificate, such was the quality of the exhibits. I thank each and every one for the privilege of judging your dogs; it was a huge honour for me and one I will never forget.
