Best Puppy: **Brookbully Avenger**

Many thanks to all the BTCW committee for inviting me to judge this year's Championship Show, and of course for all exhibitors who entered and attended on this very wet and windy day!

Puppy Dog (1 Entry, 0 Absent)
1. Emmett's **Brookbully Avenger.**

Best Puppy
All alone, well prepared, cobby white pup, good substance for his age, has depth of muzzle with an egg shaped head, well placed ears, neat and erect, oblique eye, slight mouth fault, good reach of neck, elbows held in tight when stood. Compact feet, level topline, slightly high tail set, moved OK.

Junior Dog (2 Entries, 0 Absent)
1. Sheehy's **Cigano Dark Knight For Afanbull.**
Cobby black brindle showing well with plenty of head face, completely filled, erect ears, good eye and correct mouth, good substance for size, I would like a little more neck, feet could be tighter, level topline, good turn of stifle, correct tail set, moved OK.
2. Fletcher's **Indelibull Inkreadible.**
A little nervy but balanced, tricoloured terrier type, gentle profile, well placed ears, good eye, correct mouth, good reach of neck, with overall good body lines, round feet, lost topline on the move, correct tail set, moved well. Just needs to mature and settle down a little.

Novice Dog (3 Entries, 0 Absent)
Three totally different types here.
1. Kilpatrick's **Bradak's Al Capone At Kilacabar.**
Well balanced, well marked, small black brindle, terrier type. Sweeping profile, well filled, erect correctly placed ears, used all the time, dark well sunken eye, mouth locked over with 1 tight canine, good length of neck into well laid shoulders, enough bone for his size, compact tight feet with flowing body lines when stood, correct tail set, moved OK, needs to mature to go further.
2. Stanley's **Aricon Eyecon.**
Upstanding white, classical head with gentle profile, ear set could be better, oblique eye with a super expression, correct mouth. Well placed shoulders,

plenty of substance, deep chest, ramrod front, good turn of stifle, correct tail set, good mover, preferred 1's overall appearance.
3. Roff's **Bobuddy Bronn.**

Post Graduate Dog (5 Entries, 3 Absent)
1. Karta-Williams' **Keep The Faith Of The Fourhorsemen At Karmara.**
Big white well prepared dog with good depth of muzzle, strong and well turned, erect ears and a good eye, clean correct mouth, strong clean neck, parallel front, slightly untidy feet, level topline, good turn of stifle, covers the ground well on the move.
2. Wilson's **Bronygarn Blues Breaker.**
Large tricolour with gentle profile and lots of bone, well placed ears, slightly round eye, correct mouth, untidy feet, good depth of brisket, a little straight in the stifle, correct tail set, moves OK.

Limit Dog (6 Entries, 0 Absent)
1. Rae's **Irazistabull Star Of Hades. Dog CC & Best Of Breed**
Top draw dog, which took my eye from the off! Impressive, well marked black brindle excelling in breed type, whose coat was gleaming and hard to the touch, sweeping egg shaped head with good depth of muzzle, ears bang on top being used all the time. Dark well sunken eye, slight mouth fault, well laid shoulders, deep chest, ramrod front. Level top line stood and on the move, correct tail set, covers the ground with easy strides, his many virtues winning through in the line up.
2. Howes & Sheppard's **Polanca Powerslave.**
Well balanced and marked brindle showing well. Sweeping profile, erect ears, good eye, mouth correct and fully locked over. Long reach of neck, enough substance for size, round feet, level top line, good turn of stifle, moved better coming than going.
3. Westwood's **Broken Arrow's Peaky Blinder At Tulsadom.**
4. Leggatt's **Rabram Royal Star.**
5. Newberry's **Ukusa Ricochet.**

Open Dog (4 Entries, 0 Absent)
1. Blair's **Megaville Higher Ground. Reserve Dog CC**
Impressive, well balanced, small cobby white with ring presence, completely filled head, strong with enough turn, well placed ears, tiny eye and correct mouth. Strong clean neck, rounded bone and ramrod front, round feet, good depth of brisket with an ultra short back, parallel quarters, correct tail set, covers the ground with drive.
2. Richmond's **Blazinbulls Mr Notorious Of Waymoat.**
Another top draw dog. White terrier type with ring presence, super breed type, super down face, erect neat ears, tiny eye with a wicked expression, correct mouth. Flowing lines with a level topline, correct tail set, moved with easy strides. I'd just

like to see a little more of him, but I'm sure this will come as he matures, one to watch out for.
3. Dyson's **Gorbain Hellraiser Tawnbarr.**
4. Wilson's **Bronygarn Blues Breaker.**

Veteran Dog or Bitch (2 Entries, 1 Absent)
1. Malden's **Louka Lady Luck SHCM.**
7½ years young terrier type white bitch, classical head, good eye, a little long in the back with untidy feet, moved OK.
Puppy Bitch (1 Entry, 0 Absent)
1. Shearan's **Brangusbulls Preta Tuli.**
All alone, small, immature brindle terrier type, gentle profile, good eye and correct mouth, correct tail set, moved OK but lacks overall substance, needs to mature.

Junior Bitch (5 Entries, 1 Absent)
1. Godsall's **Ukusa Jezebel To Neverland.**
Upstanding, well balanced, terrier type brindle, feminine head with gentle but enough profile, well placed ears, correct mouth, good reach of neck and lay of shoulder, straight front, level topline, tidy feet, moves well.
2. Griffiths' **Jessajack Made Of Candy.**
White terrier type with flowing lines and ring presence. Head completely filled, good ear set, tiny eye and correct mouth, strong clean neck, elbows held tight in when stood. Not the best of feet, short back, good tail set, not as good a mover as 1.
3. McDonagh & McLeish's **Irazistabull Pandora's Star.**
4. Oldmeadow's **Unionbul's Catching Fire.**

Novice Bitch (2 Entries, 0 Absent)
1. Cheek's **Quentinhill Rising Sun.**
Good sized bull type white, classical head with gentle profile, good ear set and eye, correct mouth. This bitch has plenty of substance with a deep chest, round feet, level topline, moves OK. A little more fill would finish the picture.
2. Oldmeadow's **Unionbul's Catching Fire.**
Red and white cobby bitch with feminine head, erect ears, slightly round eye, a little stuffy in the neck, good straight front, round feet and level topline, a good mover but a bit flat today.

Post Graduate Bitch (6 Entries, 4 Absent)
1. Newberry's **Archagen Freak Unique At Ukusa.**
Well balanced white with red ears showing well, classic head, well filled, good ear set and eye, correct mouth, good front, round feet, flowing lines with level topline, moved well both ways.
2. Malden's **Louka Special Lady.**
Terrier type white showing well. Good profile with enough fill, good eye,

reverse bite, deep chest with untidy feet and a high tail set, moves well, a little overweight.

Limit Bitch (5 Entries, 0 Absent)
1. Foster & Bicker's **Bilboen Beyond The Stars. Reserve Bitch CC**
Well balanced, black brindle with great ring presence, nice profile with erect well placed small ears, correct mouth, swan like neck, parallel front, tidy cat feet, good turn of stifle, tail set could be lower, covers the ground with ease both ways, her flowing lines and excellent movement winning through.
2. Dobbins' **Debully Vagabond Queen.**
Impressive white with crashing head excelling in breed type, sweeping egg shaped head, wicked eye and correct mouth, ears just spoil the picture from head on, strong clean neck, plenty of substance throughout, deep chest, strong rounded bone, tidy feet, level topline but a little too much brisket for me, I'd like to see it tuck in more, good quarters, correct tail set, covers the ground better coming than going.
3. Hackett's **Spartiate Pandora.**
4. Bloom's **Abenaki Romantic Destiny.**
5. Malden's **Louka Frosty Lady SCHM.**

Open Bitch (12 Entries, 1 Absent)
Wow, what a class! Any 1 of 8 could be placed in the top 3.
1. Seydewitz' **Anneliese Vom Welpersberg. Bitch CC**
Super impressive balanced white with great ring presence, showing her socks off today, strong but feminine head which is completely filled up, neat erect ears smack on top, dark well sunken eye giving a super expression, correct mouth. Good length of neck into well laid shoulders, ramrod front with her elbows held in straight when stood, tidy cat like feet, level topline with beautiful clean body lines throughout, strong quarters, poker tail, moves well both ways, top class bitch.
2. Ramshaw's **Dark Magic Touch.**
Big well balanced patchy black brindle terrier type, egg shaped head with good ear set, tiny eye giving a super expression, correct mouth, nice length of neck and good shoulder placement. Her front is straight and has excellent bone, round tidy feet, level topline with a good turn of stifle, correct tail set, covers the ground fairly well both ways. When brought back in for the reserve ticket, she didn't make the most of herself.
3. Newberry's **Bully Trip Hell's Angel By Ukusa.**
4. Dyson's **Gorbain Ice Maiden Tawnbarr.**
5. Karta-Williams' **Karmara's Rumour Has It.**
