Open Dog (4 Entries, 2 Absent)

1. Rae's **Ch. Irazistabull Star Of Hades**.

Best Dog & Best In Show

It was a pleasure to go over this dog, one I have admired for a long time. Black brindle boy in super hard condition, a credit to his owners, he has a powerful head filled right up with a lovely sweeping profile, ears are bang on top and a tiny eye, straight front, level topline which he held on the move, a top quality animal. This dogs coat was in super condition, handled and presented well; it was a pleasure to be able award him BD and BIS.

2. Sheehy's **Cigano Dark Knight For Afanbull**.

Another good dog unlucky to come up against one today, black brindle, good strong head with good width, profile and filled right up, straight front on good feet and plenty of bone, short backed, moved well.

Puppy Bitch (4 Entries, 1 Absent)

1. Wright's **Star Venture At Rightstuff**.

10 month old black brindle, very eye-catching bitch, lovely sweeping profile with tiny eye and good ear placement giving an excellent expression, straight front, short backed, moved OK.

2. Paterson's **Golitha Auchtoshan**.

8 month old lovely brindle and white bitch, head is filled and turned with good ear placement, correct mouth and straight front. Dropped topline when moving, this may improve with maturity.

3. Rackstraw's **Ukusa Auspicious**.

Junior Bitch (1 Entry, 0 Absent)

1. Nisbet & Kelly's **Serenbull Soul Illusion**.

Tricolour bitch made along the same lines as her litter brothers, head short and compact and completely filled with good width, ears bang

on top, mouth incorrect, a little unsettled today but once moving was OK.

Novice Bitch (0 Entries)

Post Graduate Bitch (5 Entries, 3 Absent)

1. Mills' **Miinroc Envy Me**.

Red and white well balanced feminine bitch, good head with enough turn and fill, correct mouth, ears bang on top, good reach of neck leading into a short back, moved well both ways and presented in tip top condition.

2. Moore's **Tilleah My Book Of Dreams**.

Red and white nicely balanced bitch, head could do with a little more profile and fill, straight front and nice tight feet, a little out of condition today, looks like she had recently had a litter.
