

# Specialized Bull Terrier Club Of Chile 2015

Judges: Gordon & Norma Smith (Magor Bull Terriers, Canada)

The Bull Terrier Club of Chile, after a year of transition, change of management and Club procedures in 2014, returns again in 2015 to host our 'Specialized 2015'. This marks the sixth and seventh times we've run the event - this time judged by Gordon and Norma Smith respectively.

This year marks the first time we've run the 'Specialized' alone as a Club, it's always under the guidelines of the Kennel Club Of Chile, but previous events were always as part of a bigger show whereas on this occasion all the preparation and hosting was down to us ... and I feel we did a very good job.

A special mention must go to our judges for the event, Gordon and Norma Smith. Their career, quality of breeding and judging is beyond any discussion. I must say that the most valuable thing was to hear the talk at the end of proceedings and to share their experiences, they are very warm and friendly people, it was like sharing stories with lifelong friends and it was amazing to meet them - they have bred Bull Terriers for a lifetime with great responsibility and dedication, they are certainly an example to follow.

The event this year had a new ingredient, it was the first to feature a 'Specialized' of the Miniature Bull Terrier Club of Chile. This was a difficult task to gather all the top Miniature's as it is a breed still very much in its infancy in our part of the world, and with very little numbers. Thanks must go to Claudio Rivera of the River Mini Bull kennel for his efforts.

There was also a parade organised by 'Bull Terrier Rescue Chile' - an organization dedicated to rescuing and re-homing Bull Terriers who have been abandoned, neglected, homeless etc. This is something we'd like to continue supporting and promoting, please see their Facebook page by clicking the following link...

We'd also like to thank our sponsors who had faith in us, thanks for helping us realise our dreams.

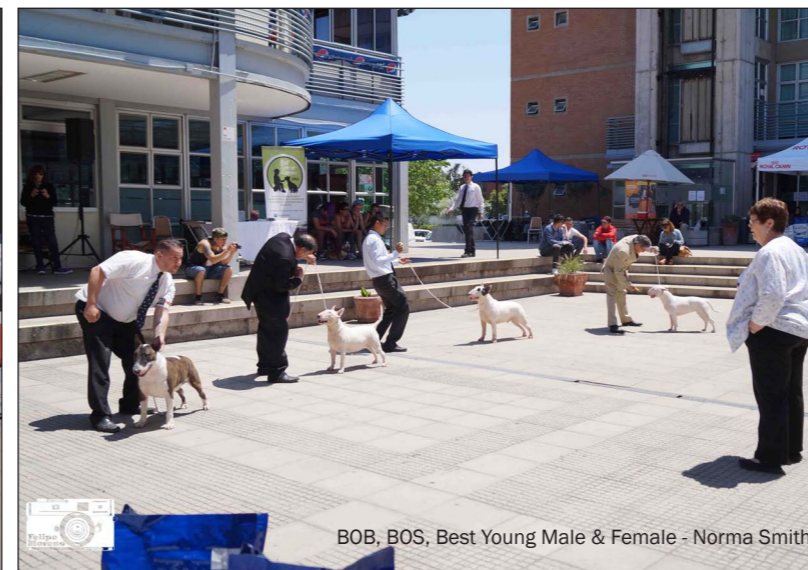

We invite you to the 'Specialized' of 2016, hopefully we will see you there, and we congratulate all the winners for their excellent dogs of 2015 and hope that all the owners - and many more - return next year...
